However, per our request, the USAO supported the investigation by issuing legal process in order to identify subscriber information for the (b)(6); (b)(7)(C) email account. As a result of the information we received, the OIG subsequently determined that the geographic origin of the email account was Brisbane, Australia.

(b)(6); (b)(7)(C) was later contacted by (b)(6); (b)(7)(C) Federal Major Crimes Section. (b)(6); (b)(7)(C) advised that he received communication from Google, because they inadvertently provided (b)(6); (b)(7)(C) notification of the USAO's subpoena, despite the non-disclosure order. (b)(6); (b)(7)(C) advised the OIG that no additional action was necessary.

In conclusion, the investigation determined that the sender's email account was extraterritorial to the United States. The USAO declined criminal prosecution of this matter. Accordingly, a report to management is not warranted and administratively closing this case is recommended. If approved, the OSS will be notified of closure.

Narrative Continuation

On Wednesday, August 10, 2022, at 1757 hours, (b)(6),(b)(7)(C) contacted me via e-mail, which included two audio recordings attached to it, regarding inappropriate communication from SUBJECT to the US Congressman's office located at the Kenneth Keating Federal Building and U.S. Courthouse, 100 State St., Rochester, NY.

I listened to the audio which contained the voice of a man, who identified himself as SUBJCT and stated, "I am pro-abortion if it is retroactive to Barack Obama, Joe Biden, Chuck Schumer, and Joe Morelle". I had the Philadelphia Mega Center conduct a National Criminal Information Center Check on SUBJECT for wants/warrants and a criminal history report. The check did not contain any information pertinent to my preliminary investigation. I also had the Monroe Crime Analysis Center conduct a background check on SUBJECT which also contained nothing pertinent to my preliminary investigation.

On Tuesday, August 23, 2022, at 1441 hours, after I returned from a weeklong training course, I followed up with (b)(6),(b)(7)(C) via a phone interview. I asked (b)(6),(b)(7)(C) if he felt threatened by this phone call. (b)(6),(b)(7)(C) advised me that he did not feel threatened and that he reported this call out of an abundance of caution. (b)(6),(b)(7)(C) also added that their office phone records go back to year 2020 and this is the first contact that he can find from SUBJECT.

After obtaining the necessary information, I briefed my supervisor, the Federal Protective Service Special Agent in Albany, NY, and the US Capitol Police officer assigned to this case, with my findings. The determination made was that no further action is required of the Federal Protective Service at this time. I advised (b)(6),(b)(7)(C) to contact me if the Congressman's office receives additional inappropriate communication from SUBJECT and action will be taken at that time, if necessary.

When SUBJECT was asked if she intended to harm anyone at the SSA she responded, "Not yet." SUBJECT did not recall specifically what she said to the SSA representative but related her pay issue has since been resolved and her comments were out of frustration.

SUBJECT further requested SA (b)(6),(b)(7)(C) investigate "Dr. Fauci and Nancy Pelosi" for the crimes they were committing against America. SUBJECT stated she would "tie Nancy Pelosi's limbs to four horses and watch them tear her apart" if she ever found her in Montana.

See case file for additional details.

Federal Protective Service, Investigations Division conducted a review of available open-source material to identify any threats made by SUBJECT. We were able to identify multiple accounts for the SUBJECT. A review of available accounts yielded no further threats to FPS equities. SUBJECT has made numerous comments of concern to political figures that may be of concern to the US Capitol Police and the United States Secret Service. SUBJECTS' posts indicate she is possibly an anti-government extremist who has attempted to recruit other citizens for criminal action against the United States Government.
