

PRESIDENTIAL ACTIONS

ADDRESSING RISKS FROM PAUL WEISS

The White House | March 14, 2025

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered:

Section 1. Background. Global law firms have for years played an outsized role in undermining the judicial process and in the destruction of bedrock American principles. Many have engaged in activities that make our communities less safe, increase burdens on local businesses, limit constitutional freedoms, and degrade the quality of American elections. Additionally, they have sometimes done so on behalf of clients, pro bono, or ostensibly “for the public good” — potentially depriving those who cannot otherwise afford the benefit of top legal talent the access to justice deserved by all. My Administration will no longer support taxpayer funds sponsoring such harm.

My Administration has already taken action to address some of the significant risks and egregious conduct associated with law firms, and I have determined that similar action is necessary to end Government sponsorship of harmful activity by an additional law firm: Paul, Weiss, Rifkind, Wharton & Garrison LLP (Paul Weiss). In 2021, a Paul Weiss partner and former leading prosecutor in the office of Special Counsel Robert Mueller brought a pro bono suit against individuals alleged to have participated in the events that occurred at or near the United States Capitol on January 6, 2021, on behalf of the District of Columbia Attorney General.

In 2022, Paul Weiss hired unethical attorney Mark Pomerantz, who had previously left Paul Weiss to join the Manhattan District Attorney’s office solely to manufacture a prosecution against me and who, according to his co-workers, unethically led witnesses in ways designed to implicate me. After being unable to convince even Manhattan District Attorney Alvin Bragg that a fraud case was feasible, Pomerantz engaged in a media campaign to gin up support for this unwarranted prosecution.

Additionally, Paul Weiss discriminates against its own employees on the basis of race and other categories prohibited by civil rights laws. Paul Weiss, along with nearly every other large, influential, or industry leading law firm, makes decisions around “targets” based on race and sex. My Administration is committed to ending such unlawful discrimination perpetrated in the name of “diversity, equity, and inclusion” policies and ensuring that Federal benefits support the laws and policies of the United States, including those laws and policies promoting our national security and respecting the democratic process. Those who engage in blatant discrimination and other activities inconsistent with the interests of the United States should not have access to our Nation’s secrets nor be deemed responsible stewards of any Federal funds.

Sec. 2. Security Clearance Review. (a) The Attorney General, the Director of National Intelligence, and all other relevant heads of executive departments and agencies (agencies) shall immediately take steps consistent with applicable law to suspend any active security clearances held by individuals at Paul Weiss and Mark Pomerantz, pending a review of whether such clearances are consistent with the national interest.

(b) The Office of Management and Budget shall identify all Government goods, property, material, and services, including Sensitive Compartmented Information Facilities, provided for the benefit of Paul Weiss. The heads of all agencies providing such material or services shall, to the extent permitted by law, expeditiously cease such provision.

Sec. 3. Contracting. (a) To prevent the transfer of taxpayer dollars to Federal contractors whose earnings subsidize, among other things, activities that are not aligned with American interests, including racial discrimination, Government contracting agencies shall, to the extent permissible by law, require Government contractors to disclose any business they do with Paul Weiss and whether that business is related to the subject of the Government contract.

(b) The heads of all agencies shall review all contracts with Paul Weiss or with entities that disclose doing business with Paul Weiss under subsection (a) of this section. To the extent permitted by law, the heads of agencies shall:

(i) take appropriate steps to terminate any contract, to the maximum extent permitted by applicable law, including the Federal Acquisition Regulation, for which Paul Weiss has been hired to perform any service;

(ii) otherwise align their agency funding decisions with the interests of the citizens of the United States; with the goals and priorities of my Administration as expressed in executive actions, especially Executive Order 14147 of January 20, 2025 (Ending the Weaponization of the Federal Government); and as heads of agencies deem appropriate. Within 30 days of the date of this order, all agencies shall submit to the Director of the Office of Management and Budget an assessment of contracts with Paul Weiss or with entities that do business with Paul Weiss effective as of the date of this order and any actions taken with respect to those contracts in accordance with this order.

Sec. 4. Racial Discrimination. Nothing in this order shall be construed to limit the action authorized by section 4 of Executive Order 14230 of March 6, 2025 (Addressing Risks from Perkins Coie LLP).

Sec. 5. Personnel. (a) The heads of all agencies shall, to the extent permitted by law, provide guidance limiting official access from Federal Government buildings to employees of Paul Weiss when such access would threaten the national security of or otherwise be inconsistent with the interests of the United States. In addition, the heads of all agencies shall provide guidance limiting Government employees acting in their official capacity from engaging with Paul Weiss employees to ensure consistency with the national security and other interests of the United States.

(b) Agency officials shall, to the extent permitted by law, refrain from hiring employees of Paul Weiss, absent a waiver from the head of the agency, made in consultation with the Director of the Office of Personnel Management, that such hire will not threaten the national security of the United States.

Sec. 6. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.
