The screenshot shows a Twitter interface. On the left is a navigation sidebar with icons for Home, Explore, Notifications, Messages, Lists, Bookmarks, Communities, Verified, Profile, and More. A blue 'Post' button is visible. The main content area shows a tweet from Donald J. Trump (@realDonaldTrump) retweeted by another user. The tweet text reads: "This is true, but much different than reported by the media. We will show massive and unprecedented fraud!" Below the tweet is a quote from a source dated Nov 20, 2020: "My statement on our meeting with the President today: fight against COVID-19. We have since sent the same correspondence to congressional leaders." The quote continues: "Months ago, Michigan received funds through the federal CARES Act, and we used that funding to quickly support front line workers, improve testing, ensure adequate PPE, provide additional support to out-of-work Michiganders, and deliver assistance to local businesses that are struggling through no fault of their own. We once again face a time in our state when additional support would go a long way to help those same residents who need our help." A reply below the tweet says: "We highlighted our commitment to appropriating further federal dollars to Michioanders most in need". On the right side of the tweet, there are sections for 'Relevant people' (listing Donald J. Trump and a Senate Majority Leader) and 'What's happening' (listing trending topics like 'Astros at Marlins', 'Welcome to NY', and 'District Dogs').

 **Liz Harrington** @realLizUSA · Nov 21, 2020

"It seems simple enough to conduct a sample audit of signatures on the absentee ballot envelopes..."

Simple and transparent? An audit that actually checks signatures? Why would anyone oppose that? 🤔

Despite what the tag says, there is nothing in dispute. Not only is there no evidence of “massive” voter fraud in Philadelphia, but there haven’t been *any* documented instances in the many lawsuits filed in Pennsylvania.

 **Donald J. Trump**  @realDonaldTrump · Nov 27, 2020

Biden can only enter the White House as President if he can prove that his ridiculous “80,000,000 votes” were not fraudulently or illegally obtained. When you see what happened in Detroit, Atlanta, Philadelphia & Milwaukee, massive voter fraud, he’s got a big unsolvable problem!

We have some big things happening in our various litigations on the Election Hoax. Everybody knows it was Rigged. They know Biden didn't get more votes from the Black community than Obama, & certainly didn't get 80,000,000 votes. Look what happened in Detroit, Philadelphia, plus!

THE WHITE HOUSE
WASHINGTON, D.C.
November 13, 2020

MEMORANDUM FOR THE PRESIDENT

SUBJECT: Operations, TRADE, AND THE 2020

MEMORANDUM: U.S. Constitution, U.S. Trade Policy, and Presidential Election. Please find below the text of the Executive Order signed by the President on November 13, 2020, titled "Protecting the Integrity of the 2020 Presidential Election." The text of the Executive Order is as follows:

1. **PROTECTING THE INTEGRITY OF THE 2020 PRESIDENTIAL ELECTION.** It is the policy of the United States to ensure the integrity of the 2020 Presidential election process. To that end, the President hereby orders the following:

(a) The Department of Justice shall conduct a comprehensive review of all federal, state, and local election laws and regulations to ensure they are consistent with the U.S. Constitution and the laws of the United States. The review shall include, but not be limited to, the following:

- (i) The constitutionality of all federal, state, and local election laws and regulations.
- (ii) The effectiveness of all federal, state, and local election laws and regulations.
- (iii) The consistency of all federal, state, and local election laws and regulations with the laws of the United States.
- (iv) The impact of all federal, state, and local election laws and regulations on the integrity of the 2020 Presidential election process.

(b) The Department of Justice shall report the results of the review to the President no later than 90 days after the date of this order. The report shall include, but not be limited to, the following:

- (i) A list of all federal, state, and local election laws and regulations that are inconsistent with the U.S. Constitution and the laws of the United States.
- (ii) A list of all federal, state, and local election laws and regulations that are ineffective.
- (iii) A list of all federal, state, and local election laws and regulations that are inconsistent with the laws of the United States.
- (iv) A list of all federal, state, and local election laws and regulations that have a negative impact on the integrity of the 2020 Presidential election process.

(c) The Department of Justice shall take all necessary steps to ensure that the laws and regulations identified in the report are promptly revised or repealed. The Department shall also take all necessary steps to ensure that the laws and regulations identified in the report are consistent with the laws of the United States.

(d) The Department of Justice shall ensure that the laws and regulations identified in the report are enforced in a fair and impartial manner. The Department shall also ensure that the laws and regulations identified in the report are applied consistently across all jurisdictions.

(e) The Department of Justice shall ensure that the laws and regulations identified in the report are not used to discriminate against any individual or group of individuals. The Department shall also ensure that the laws and regulations identified in the report are not used to interfere with the free exercise of religion or the freedom of speech.

(f) The Department of Justice shall ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair trial. The Department shall also ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair and impartial election process.

(g) The Department of Justice shall ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair and impartial election process. The Department shall also ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair and impartial election process.

(h) The Department of Justice shall ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair and impartial election process. The Department shall also ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair and impartial election process.

(i) The Department of Justice shall ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair and impartial election process. The Department shall also ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair and impartial election process.

(j) The Department of Justice shall ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair and impartial election process. The Department shall also ensure that the laws and regulations identified in the report are not used to interfere with the right of a fair and impartial election process.

Mike Pence didn't have the courage to do what should have been done to protect our Country and our Constitution, giving States a chance to certify a corrected set of facts, not the fraudulent or inaccurate ones which they were asked to previously certify. USA demands the truth!

 **Donald J. Trump** 
@realDonaldTrump

Wow! Has anyone seen the [REDACTED] "contradictions" of her sworn testimony? Now this is "BIG STUFF." Look what was captured by Cobb County police body cameras on January 4, 2021. "And everything they are saying is false. Everything from the quote unquote SUITCASES OF THE BALLOT BOXES, TO THE WHY WE OPENED THEM BACK UP. EVERYTHING THEY SAID WAS FALSE. THE FBI...REACHED OUT TO ME ONLY TO CLEAR MY SOCIAL MEDIA (evidence tampering?)...COUNT WAS LOW, IT WAS REALLY LOW." Now it gets really bad, TRUTH 2
