(b)(7)(D) - **Situational Awareness: Planned Trump Indictment Brief – Update #1**

(b)(7)(D) is sharing the following intelligence brief for situational awareness purposes.

(b)(7)(D) as it relates to planned rallies within the South Florida Area. We will advise of any updates as new information is received.

(b)(6); (b)(7)(C); (b)(7)(D)

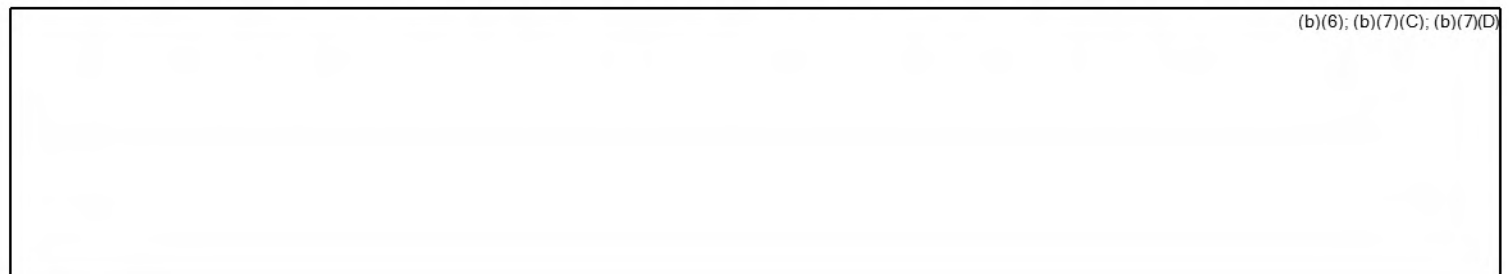

On Tuesday, June 13, 2023, FPOTUS Trump is set to appear for a Federal Indictment in Miami, at the Wilkie D. Ferguson Federal Courthouse, located at 400 North Miami Avenue, Miami, FL 33128. FPOTUS' tentative scheduled movements are as follows:

Gathered Intelligence:

At this time, there is intelligence that suggests that a large undetermined number of people associated with different groups are planning on converging on the Federal Courthouse during FPOTUS Trump's scheduled indictment. This information is evolving and fluid as groups are trying to become organized and are formulating plans throughout the weekend. (b)(7)(E)

(b)(7)(E) In some posts, Trump supporters have threatened using violence if attacked, and have mentioned "the next civil war" as well as encouraging assassinating government officials. The HSB Intelligence and Investigations Section will continue to monitor the situation and report via the chain of command on any information received.

In the wake of Donald Trump's new indictment, users on ultranationalist forum "The Donald" discussed attendance and logistical details for a demonstration outside the Wilkie D. Ferguson Jr. Courthouse in Miami on June 13, 2023. The posts were prompted by a since-deleted Truth Social post from Trump that declared, "SEE YOU IN MIAMI ON TUESDAY," which was shared to the forum on June 9. While several users urged to remain peaceful, others encouraged various OPSEC measures and anticipated "the entire courthouse [will] be surrounded."

Situational Awareness:

This highly publicized visit involving a former U.S. President attending his criminal arraignment encompasses several elements unique to the nature of the historical event. Please be cognizant of the following:

The site is a secure Federal Courthouse with ongoing judicial proceedings unrelated to (b)(7)(E) including the potential for criminal inmates in certain areas of the building. (b)(7)(D) (b)(7)(D); (b)(7)(E) will all be inside the building. The U.S. Secret Service is a guest here and working together will ensure our mission is successful.

(b)(7)(D); (b)(7)(E)

Judicial proceedings are public events and the Court intends to continue this practice for (b)(7)(E) hearing. The tentative plan is to allow public and media access to the building without preference. Electronics however, will be prohibited inline with the Court's most recent Administrative Order (attached). Trump Signals Plans to Attend June 13 Rally in Miami Following Indictment, Prompting Hype and Planning by Ultranationalists

In the wake of Donald Trump's new indictment, users on ultranationalist forum "The Donald" discussed attendance and logistical details for a demonstration outside the Wilkie D. Ferguson Jr. Courthouse in Miami on June 13, 2023. The posts were prompted by a since-deleted Truth Social post from Trump that declared, "SEE YOU IN MIAMI ON TUESDAY," which was shared to the forum on June 9. While several users urged to remain peaceful, others encouraged various OPSEC measures and anticipated "the entire courthouse [will] be surrounded."

The forum post containing Trump's since-deleted Truth Social message received more than 2,000 upvotes in roughly 12 hours.

Donald Trump calling for protests in Miami on Tuesday, June 13 (June 9, 2023)

Users responded with encouragements to attend the protest, with several asserting their intent to do so. "MAGA RALLY TIME FUCKERS," one wrote. Another stated:

Guys, I will be there in my FAFO armor, look for me, I am there to peacefully protest unless I am attacked, then I will defend myself. To whatever end that means, I have had enough, no more.

Ultranationalist user stating they would attend protest "in FAFO armor" (June 9, 2023)

The "FAFO" acronym stands for "fuck around and find out." The phrase was embraced by some far-right activists in recent years to warn left-wing protestors against aggression.

One recommended various OPSEC measures regarding phones and taking photographs, writing:

DONT BRING YOUR CELLPHONE. IF YOU DO - DISCONNECT THE SIM CARD. IF YOU PLAN TO TAKE PHOTOS. DONT POST THEM ONLINE. I RECOMMEND BODY CAM AND NO CELL PHONE.

Regarding the potential turnout, another wrote, "Miami streets are gonna be TEEMING with MAGA 20-deep on the entire route and the entire courthouse gonna be surrounded."

A separate post on "The Donald"—shared in the aforementioned discussion thread—proposed one potential meet-up spot for demonstrators via a Google Maps screenshot of a bar located near the courthouse. "RALLY FOR TRUMP on Tuesday begins @ Auld Dubliner Irish Pub right across the courthouse!...Bring your flags..."

Post to "The Donald" ahead of June 13 demonstration for the former president (June 9, 2023)

These comments follow [promotions](#) of the imminent Miami demonstration—as well as another, lesser-promoted one in New York City—across Telegram, Gab, "The Donald," Twitter, Facebook, and elsewhere.

As SITE reported, this latest indictment of Trump has inspired varying calls to "go to war with Democrats" and anticipation of "the next Civil War." Users have also encouraged assassinating government officials while declaring, "It's time to take our government back."

Subject: Re: Planned Trump Indictment Rally UPDATE #1

Good Morning,

I wanted to highlight a new update I received this morning.

Social media and news chatter regarding FPOTUS Trump's most recent indictment focused on the trending Twitter topic #TrumpArraignment where the theme and rhetoric appeared to celebrate and support the indictment and arraignment of FPOTUS Trump.

A news article has circulated with the title "'I Want Blood': Heavily-Armed Trump Supporters Say They'll Protest Trump's Indictment." The article quoted a Patriots.winuser, 1776take2 that stated, "MAGA will make Waco look like a tea party" and "I'm not laughing anymore. Just buying more ammo." Another unnamed user was quoted as saying, "I will be there peacefully to speak up about this misjustice, leagally I will also be armed, well armed." An OSB search for users and statements yielded negative results at this time. An additional article the Miami Police Chief stated, "We are ready" and they are prepared to handle crowd up at 50,000 people.

At the moment they are not aware of counter protest. They are anticipating that they will be present.

We seen today a few counter protesters outside of Trump National Doral, but nothing more than 5-6 people.

FYI. We are running down the Proud Boys reference. Looking for that reflection.

Update #1: According to social media, former President Trump is calling for supporters to rally outside the Wilkie D. Ferguson Jr. U.S. Courthouse in Miami from 10:00 AM – 5:00 PM local time on Tuesday, June 13. The number of protesters currently anticipated in Miami is unknown. According to chatter on Twitter, a local chapter of the Proud Boys is organizing a protest outside the courthouse on Tuesday as well. Media sources are further noting that their law enforcement sources have said “there is currently no indication of any specific and credible threat,” for tomorrow. **Miami law enforcement sources believe that counter protesters may be present, including members of the far-left group Antifa.** Clashes between protesters and potential counter-protesters cannot be ruled out if the two groups were to come in contact with one another.

Charged rhetoric is also being reported on a multitude of social media platforms. For example, on the pro-Trump messaging board, Patriots.win, a thread was started today with the title, “Trump Urges Miami Indictment Protesters to Stay Peaceful”. One user replied to the thread by stating, *“This country was founded on violent protests, From the original Boston tea party, And not once in the history of the world has “peaceful protesting” made change. The people with the power aren’t scared of peaceful protesters. They are scared of violent ones...”* Conspiracy theories are also abound on social media, with some speculating that any protests or violence tomorrow outside will be due to a “false flag” operation planned by law enforcement. For example, one user replied to the above comment and accused the commenter of being a government “agent”. (b)(7)(D) is working with law enforcement partners in Miami to identify potential groups that are calling for protests on social media and will provide updates as

necessary. The (b)(7)(D) will also monitor the protests in Miami and provide updates on protest movements throughout the day, as necessary.

Alert Type: Potential Protest Activity

Incident Location: Wilkie D. Ferguson Jr. U.S. Courthouse, Miami, Florida

Description: Intelligence sources have identified several posts on social media calling for supporters of former U.S. President Donald Trump to protest outside the Wilkie D. Ferguson Jr. U.S. Courthouse on June 13. The protest calls come after former President Trump announced that he must appear at the federal courthouse on June 13 in relation to the federal indictment regarding his handling of classified documents after leaving the White House. As of this alert, no organized protests in Miami have been identified by intelligence sources, though this may change in the coming days. Additionally, some on social media are calling for protests at courthouses throughout the U.S. on June 13. However, no planned protests have been identified yet. Similar calls for protests occurred in late March and early April 2023 after former President Trump was indicted in a separate case in New York City. While protests did occur throughout the U.S., they were not particularly large in size and generally remained peaceful in nature with a few isolated confrontations with anti-Trump protesters. [REDACTED] (b)(7)(D) will continue to monitor and provide updates, as necessary. Please see below for more information.
