FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Confidential Informant Records.** The FBI can neither confirm nor deny the existence of confidential informant records pursuant to FOIA exemptions (b)(7)(D), (b)(7)(E), and (b)(7)(F) [5 U.S.C. §§ 552 (b)(7)(D), (b)(7)(E), and (b)(7)(F)] and Privacy Act exemption (j)(2) [5 U.S.C. § 552a (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records would reveal confidential informant identities and information, expose law enforcement techniques, and endanger the life or physical safety of individuals. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches and Standard Search Policy.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems, such as the Central Records System (CRS), or locations where responsive records would reasonably be found. The CRS is an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. The standard search policy is a search for main entity records in the CRS. Unless specifically requested, a standard search does not include a search for reference entity records or administrative records of previous FOIPA requests.
 - a. *Main Entity Records* – created for individuals or non-individuals who are the subjects or the focus of an investigation
 - b. *Reference Entity Records* – created for individuals or non-individuals who are associated with a case but are not known subjects or the focus of an investigation
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Foreseeable Harm Standard.** As amended in 2016, the Freedom of Information Act provides that a federal agency may withhold responsive records only if: (1) the agency reasonably foresees that disclosure would harm an interest protected by one of the nine exemptions that FOIA enumerates, or (2) disclosure is prohibited by law (5 United States Code, Section 552(a)(8)(A)(i)). The FBI considers this foreseeable harm standard in the processing of its requests.
- (iv) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.

ANTI-WAR DEMONSTRATION
UNIVERSITY OF CALIFORNIA AT LOS ANGELES, CALIFORNIA
May 11, 1972

Source one advised on May 11, 1972, that the demonstration by students of the University of California at Los Angeles (UCLA), Los Angeles, California, which occurred on May 11, 1972, was a protest of President Richard M. Nixon's actions concerning the mining of North Vietnamese harbors and the increased aerial bombardment of strategic supply routes of the North Vietnamese army.

At 8:00 a.m. on May 11, 1972, officials at the UCLA campus ordered the UCLA campus police to clear Murphy Hall, UCLA Administration Building, of 60 demonstrators who had occupied it since 12:30 p.m. on May 10, 1972, and had remained in the building throughout the night. By 9:00 a.m. Murphy Hall was cleared of demonstrators. The building sustained minor property damage as a result of the occupation.

Once outside of Murphy Hall the demonstrators barricaded the main entrance to the building.

At 11:10 a.m. the UCLA campus police requested demonstrators to remove the barricade from the building entrance. The demonstrators fully complied with the UCLA campus police instructions, but remained outside of Murphy Hall.

At twelve noon approximately two thousand demonstrators gathered at Janss Steps, a free speech area at UCLA, for a rally that was organized under the auspices

of the Student Mobilization Committee to End the War in Vietnam (SMC) and Students for a Democratic Society (SDS) where numerous members of the crowd spoke in protest of President Richard M. Nixon's recent actions against North Vietnam.

SDS was founded during June 1962, at Port Huron, Michigan, and in the 1960s functioned as the leading New Left campus-based student organization in the U. S. From an initial posture of "participatory democracy," SDS moved to a radical-revolutionary position, with debate centering on how best to create a revolutionary youth movement. Internal factionalism produced a split during the SDS National Convention in June 1969, which resulted in the following three factions: Weatherman; Worker Student Alliance (WSA); and Revolutionary Youth Movement (RYM). The Weatherman and RYM are no longer affiliated with SDS. The WSA continues to use the name SDS and maintains its national headquarters in Chicago, Illinois.

Weatherman, formerly a faction of Students for a Democratic Society, controlled the SDS National Office from June 1969 until its closing in February 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage," with police and military installations designated as primary targets.

ANTI-WAR DEMONSTRATION
May 11, 1972

WSA, a faction of SDS, was expelled from SDS in June 1969, by the then dominant Weatherman faction but continued to use the name SDS and opened an office in Boston, Massachusetts. WSA aligned ideologically with the Progressive Labor Party (PLP) and in February 1971, moved to Chicago, Illinois, where it opened the SDS National Office at 1225 South Wabash. Its official publication, "New Left Notes," is published in Chicago.

The Progressive Labor Party was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese Communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and MAO Tse-tung thought.

The RYM, a pro-communist revolutionary youth organization, was organized in 1969, first as a faction within the Students For A Democratic Society, then as a separate group with headquarters in Atlanta, Georgia. RYM was unsuccessful in attracting support and by mid-1970 it was practically defunct.

The gathering at Janss Steps was a group whose composition was equally divided as to males and females, 85 percent Caucasian with 95 percent of the participants of high school and college age.

At 12:50 p.m. the rally at Janss Steps ended with a group of one thousand demonstrators returning to Murphy Hall. Two hundred demonstrators separated from the primary group and commandeered four UCLA-owned three-wheeled Cushman motor vehicles and used these vehicles with other debris to blockade all entrances to Murphy Hall. The

blockades were doused by the demonstrators with gasoline obtained from the Cushman motor vehicles. The gasoline was not ignited.

Officials at UCLA requested Los Angeles Police Department assistance in dispersing the demonstrators. At 2:20 p.m., the demonstration was declared an illegal assembly by the Los Angeles Police Department and was to be dispersed within ten minutes. At 2:34 p.m. the Los Angeles Police Department and the UCLA campus police conducted tactical sweeps to disperse the demonstrators. At 3:30 p.m., the first Los Angeles Police Department bus load of arrestees departed the UCLA campus bound for the Los Angeles Police Department mobile command booking station. Fifty-two demonstrators, consisting of both males and females were arrested, including Bill Walton, All American center, UCLA basketball team. Also during the course of the demonstration numerous trash receptacles were set on fire by the demonstrators.

By 4:00 p.m. on May 11, 1972, the demonstration had ceased and order was restored to the UCLA campus.

The aforementioned demonstration was observed by Special Agents of the FBI.

Source one advised the following individuals were arrested by the Los Angeles Police Department for violation, Section 409 Penal Code, failure to disperse from an unlawful assembly, on May 11, 1972:

RE POSSIBLE WHEREABOUTS OF BILL WALTON AND JACK SCOTT

Re Sacramento telephone call to San Francisco,
and San Francisco telephone call to Sacramento, both
on 3/15/75.

On 3/15/75, [REDACTED]

[REDACTED] advised

SA [REDACTED] has follows:

At approximately 11:30 a.m. this date he
had been at the Texaco Service Station on the northeast
corner of Mt. Shasta and Alma Avenue in Mt. Shasta.
He was walking toward the restroom on the south side
of the station and as he did he glanced across Alma
Avenue to the "Natural Foods" Store. He observed a
man and young woman emerge from the door to the store
and walk across Alma to a dark, dingy, older looking
compact auto, further description unknown.

He is an avid basketball fan, has seen basket-
ball player BILL WALTON on television many times and
as a result he immediately identified the man as WALTON,

who was on crutches, had a cast on one foot, and was wearing a headband.

A moment after WALTON and the girl left the food store, two men walked therefrom and followed them across the street. None of the four appeared to be carrying a sack or package of any type.

WALTON and the girl had almost reached the auto when [] walked into the station restroom. A couple of minutes later he left the restroom and noted that the vehicle along with the four persons were gone. He assumed all four had entered the car although he had not seen them do so.

b6
b7C

When [] returned home he saw a photo of JACK SCOTT in the March 15, 1975, two-star final issued of the "San Francisco Chronicle" newspaper and thought one of the two men who had left the food store behind WALTON might have been SCOTT. He described this man as white, about 30 to 40 years of age, 5 feet 7 or 8 inches tall, 170 pounds, round face, wore a mustache, dress not recalled. He did not remember if this man had worn a hat and he did not know if he was bald.

[] was unable to describe the third man except to say he was about the same size as the one he thought might have been SCOTT.

He described the girl with WALTON as young, dark-haired and wearing slacks. He said she might have been the girl shown in a photo with WALTON of the front page of the above mentioned newspaper, however, he was not sure of this.

On 3/15/75, [redacted] of the "Natural Foods" Store, 105 Alma Avenue, Mt. Shasta, and [redacted] were shown photographs of WALTON, SCOTT, and [redacted] which appeared in the March 15, 1975 issue of the "San Francisco Chronicle" by SA [redacted]. Neither of them were able to identify any of these photographs as being those of individuals patronizing the store.

b6
b7C

[redacted] stated that he recalled seeing an extremely tall man accompanied by a woman between 11:30 a.m. and noon this date. He thought the man was on crutches and might have been wearing a short beard. Both the man and woman merrily looked around and neither made a purchase. He did not believe anyone else was with them.

[redacted] added that the man was very slender and might have been wearing an overcoat. [redacted] said she vaguely recalled a tall man in the store about noon this date, however, she was unable to recall anything about him. She and [redacted] both said that they had been busy with other customers at the time and, therefore, did not pay particular attention to other customers in the store.

All of the above mentioned individuals were shown photographs of PATRICIA HEARST and [redacted] and [redacted]. They stated they were unfamiliar to them.

b6
b7C

On 3/15/75, [redacted] "HEARST Castle", McCloud, California (owned by the HEARST family), advised SA [redacted] that he had no knowledge of either JACK SCOTT or BILL WALTON.

DURING CONFERENCE, STATEMENT MADE AVAILABLE TO MEDIA, PERTINENT PORTIONS WHICH ARE AS FOLLOWS:

THE STATEMENT CLAIMS THAT THEY WERE FOLLOWED BY AT LEAST EIGHT ARMED FBI AGENTS ONE MONTH AGO AND WERE AFRAID THEY WERE GOING TO BE KILLED, AND WHEN THEY DISCOVERED FBI WAS NO LONGER WITH THEM, THEY CAREFULLY AVOIDED BEING FOUND. STATEMENT CLAIMS THAT FBI MADE UP STORY ALLEGING THAT THEY HAD ESCAPED FROM AN FBI TAIL IN HIGH-SPEED CHASE THROUGH THE STREETS OF BERKELEY, CALIFORNIA. STATEMENT CLAIMS THIS JEOPARDIZED THEIR LIVES BY HELPING SET THE STAGE FOR A POSSIBLE VIOLENT CONFRONTATION. STATEMENT CLAIMS THAT THE FBI BEGAN HARASSING THEIR FRIENDS AND RELATIVES TO FORCE THEM INTO THE OPEN AND TO END THIS HARASSMENT, THEY DECIDED TO SURFACE AND APPEAR AT THIS PRESS CONFERENCE SO THE MEDIA COULD HEAR FROM THEM

DIRECTLY, FREE FROM THE DISTORTIONS OF THE FBI. THE STATEMENT CLAIMS THAT THEY ARE NOT FUGITIVES AND ARE PREPARED TO PRESENT THEMSELVES TO THE GOVERNMENT THE MOMENT THEY ARE REQUIRED TO DO SO, ADDING THAT THE FBI KNOWS THIS BECAUSE THEIR LAWYERS HAVE BEEN IN TOUCH WITH THE FBI THREE TIMES IN THE PAST MONTH AT WHICH TIME THEY TOLD THE FBI THEY HAVE NO INFO OF TALKING TO FBI AGENTS. (THIS IS NOT CORRECT INASMUCH AS THE SAN FRANCISCO OFFICE HAS YET TO DISCOVER WHAT LAWYER REPRESENTS JACK [REDACTED] AND SAN FRANCISCO OFFICE HAS NOT BEEN CONTACTED BY ANY ATTORNEY REGARDING JACK [REDACTED] WHEREABOUTS OR INTERVIEWING THEM.) THE STATEMENT CONTINUES THAT THEIR ACTIONS IN THE PAST YEAR ARE COMPLETELY DEFENSIBLE AND THAT THEY FIND THE SENSELESS KILLING OF MARCUS FOSTER TO BE MORALLY AND POLITICALLY INTOLERABLE, BUT NO MORE SO THAN THE EXECUTION WITHOUT TRIAL LAST MAY OF SIX ALLEGED MEMBERS OF THE SYMBIONESE LIBERATION ARMY (SLA) IN LOS ANGELES.

THE STATEMENT CONTINUES WITH THE HARANGUE ABOUT HOW THEY CAN UNDERSTAND THAT PATRICIA HEARST CONCLUDED DURING THE FIRST

IT ALSO ADVERSELY MENTIONS THE FBI'S RECENT ACTIONS IN ALEXANDRIA, VIRGINIA, AND IS CRITICAL OF THE FBI [REDACTED] IT MENTIONS WATERGATE, UNITED STATES INVOLVEMENT IN VIETNAM, AND THE FACT THEY BELIEVE THAT TOTAL NON-COLLABORATION WITH THE GOVERNMENT IS THE

are generally rented on a daily or monthly basis and
that many of the guests have rented rooms from time to

a very limited number of private telephones are installed
in the hotel and, for all practical purposes, all in-

Bill Walton, DOB 11/05/52, SSAN [REDACTED] home address 1010 Myrtle Way, San Diego, California, home telephone number (619) 294-9085, was advised of the official identity of the interviewing agents, and the purpose for the interview. Walton then provided the following information:

b6
b7C

Walton advised that he met Jack Scott in the mid 1970s and later became his roommate. Walton advised that at first he knew nothing about Scott's dealings with the Simbionese Liberation Army, (SLA). He further advised that he did not know anything about Scott's involvement until after he was under suspicion for being involved with the SLA. Walton advised the interviewing agents that the time was very different and that the FBI was very different. He suspected that the FBI was monitoring his telephone calls during the initial part of the investigation because of his association with Scott.

Walton advised that Scott told him after he had already been questioned the first time by the FBI of his involvement with the SLA. Scott explained to Walton that he was telephoned one night after the Patty Hearst kidnaping by some members of the SLA. He was summoned to a residence near the Berkley University campus. Scott drove to the area and entered the residence. When he entered, he saw Patty Hearst and some other members of the SLA. Scott told Walton that he did not tell him prior to that time because he did not want to involve him in the investigation.

In the late 1970s, Walton and Scott parted ways because of issues which did not relate to the investigation. Walton did not see Scott again, but recently heard that he was terminally ill. Walton planned to visit Scott in the hospital and had travel plans already set up. He spoke to him on the telephone telling him of his intentions to visit, but Scott died on a Sunday evening. Walton had planned to visit Scott the following Tuesday. Walton advised that Scott never said anything about the SLA after they spoke about it in the 1970's.

Walton advised that he has already been interviewed twice by the FBI in relation to the case. The first time he was interviewed was in Cleveland, Ohio, which is where he was for a

Explaining the circumstances of the case, Walton advised that Scott was not a criminal, but a good hearted person. He explained that the era was different, and the people were different. Walton further advised that all who were involved saw what happened to the house in Los Angeles, which scared a lot of people. In referring to the house in Los Angeles, Walton explained that he was referring to the shootout between SLA members and LAPD SWAT Team members.

Walton was advised by the interviewing agents that they had received information indicating that he may know the whereabouts of [redacted]. He was asked what he knew about [redacted] whereabouts. Walton advised the interviewing agents that he had never met [redacted]. After viewing photographs of [redacted] Walton reiterated that he had never seen or met [redacted].
