

What I Learned (+ Success) ^{How}

(and have a long & happy life)

1. Stay in the game. That's often all you need to do -- don't quit.
 Slide around!
 Don't be a quitter!
2. Don't Burn Bridges (what you)

3. ^{Remember --} Life has no blessing like a good friend!
 • You can't get enough of them
 • Don't leave old friends behind -- you may need them

4. Try to be nice! Say thank you a lot!

5. Stay informed / KEEP LEARNING!

6. Cultivate friends of all ages -- especially younger

7. Study -- Stay Educated. Do your Home Work! Keep Learning!

8. Run Scurry -- out-prepare

9. Be ~~to~~ proud -- No Uncle Tom to you! But not conceited
 Know your own worth

10. Plan ahead but be prepared to alter when opportunity presents itself

11. Turn Problems into Opportunities. Very often it can be done.
 Problem creates opportunity for change -- people willing to concede change
 when there are problems

12. Present yourself well. Clean, chemically, dress "classically" for age.
 Bonnet style, trendy, look for character. Good Grammar. ^{Dr. Sweeney} ^{It's not cute.}

13. But be open to change -- don't be stuck in your ways.
 Be willing to consider what's new but don't blindly follow it.
USE YOUR HEAD & COMMON SENSE

14. Have some fun -- but not all the time!

15. Be on the side of the Angels, War for White Hat.

16. Have fall back position. Hair & the spare
 Don't leave all your money in one place

17. Learn a foreign language.

18. Travel a lot -- about world, if possible.

19. Don't criticize in front of others

20. Don't forget to praise someone a job well done (but don't praise a poor job)

21. I don't like to lose -- but don't let it be a poor loss if you do.
 22. Find someone to love (not just sex)
 It helps to have someone you love who also loves you
 23. Keep your standards high
 Don't lower them all your life

24. Look for the big picture but don't forget the small details
