Sorry to bug you again on this – reached out last week as you suggested. Any idea if he has a deputy or scheduler to help with what I'm sure is a ton of folks reaching out. Prior regime put some fairly near term deadlines on parts of the order which given the positive changes of last few weeks may end up not coming into play but hoping to line up initial briefing & conversation soon if possible. Flagged for Hailey over at OPL as well to have as many irons in the fire as possible. Thanks!

Hugh –

Flipped the below to Russ last night – knowing of what a crazy time it is, wanted to flag for you as well. If there's someone on the team I could bring Toyota folks to update on the situation, we'd greatly appreciate it.

Best,
Dennis

Subject: CFPB meeting contact?

Hey Russ –
Hope all is going well amidst the bureaucracy ass kicking – enjoyed your Kudlow bit earlier and heard Dee Buchanan made a guest appearance for your big day – glad some of Team Gramm has continued getting wiser over the last couple decades. Knowing you've got a whole lot of world to save, hoping you might be able to suggest who would be best on the CFPB team to talk to on an issue involving Toyota Financial Services. Under prior regime, they got bullied into an over-reaching consent order (link below) that's put requirements on car dealerships that are anti-free market, harm consumers and really were a back-door way Biden folks wanted to try to regulate auto dealers. Aiming to brief new team on the background and see if there's a positive path forward. Much appreciated – counting down the days til Yankees kick off the season!

Cheers,
Dennis
