DATED JUNE 2, 2025

INTRODUCTION AND PURPOSE OF THIS REPORT

1. On April 11, 2025, the Financial Services Regulatory Authority of Ontario (“**FSRA**”) made an application (the “**Application**”) under subsection 37 of the *Mortgage Brokerages, Lenders and Administrators Act, 2006*, S.O. 2006,c.29 (the “**MBLAA**”) and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c.C.43 (the “**CJA**”) to the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) for an order appointing B. Riley Farber Inc. (“**B. Riley**”) as receiver without security, of all of the assets, undertakings and properties of Sussman Mortgage Funding Inc. (“**SMFI**”), 2486976 Ontario Inc. (“**248**”) and 1981361 Ontario Inc. (“**198**” and, together with SMFI and 248, the “**Debtors**”).
2. Pursuant to an order (the “**Receivership Order**”) of the Honourable Justice Dietrich dated May 2, 2025 (the “**Date of Appointment**”), B. Riley was appointed as receiver (in such capacity, the “**Receiver**”) of all of the assets, undertakings and properties of the Debtors, including any assets held in trust by the Debtors for any third party and all property, rights interests and proceeds arising from all joint venture or co-tenancy agreements entered into by the Debtors (collectively, the “**Property**”). A copy of the Receivership Order is attached hereto as **Appendix “A”**.
3. On April 29, 2025, Aird & Berlis LLP (“**A&B**”) brought a motion on behalf of certain investors in syndicated mortgage loans (an “**SML**”) brokered by SMFI for an order appointing A&B as representative counsel of all investors who contracted with SMFI for the administration of mortgage investments (the “**Investors**”).

4. On May 9, 2025, Gordon Starkman, an Investor, brought a motion for the appointment of Paliare Roland Rosenberg Rothstein LLP as representative counsel to all Investors.
5. Pursuant to an order (the “**Representative Counsel Order**”) of the Honourable Justice Dietrich dated May 20, 2025, A&B was appointed as representative counsel (in such capacity, “**Representative Counsel**”) of all Investors other than those Investors who notify the Receiver and Representative Counsel by no later than June 6, 2025 that they do not wish to be represented by Representative Counsel (the “**Opt-Out Investors**”). A copy of the Representative Counsel Order is attached hereto as **Appendix “B”**.
6. The purpose of this first report of the Receiver (the “**First Report**”) is to provide information to the Court with respect to:
 - a. the activities of the Receiver since the Date of Appointment;
 - b. the status of the Receiver’s investigation into the Debtors’ syndicated mortgage lending business and the potential realizable value of the Property; and
 - c. the Receiver’s views on the appropriate next steps in the administration of these receivership proceedings.

TERMS OF REFERENCE AND DISCLAIMER

7. In preparing this First Report, the Receiver has relied upon certain unaudited, draft, and/or internal financial information of the Debtors, the books and records of the Debtors and discussions with the Debtors’ principals, and information from third-party sources (collectively the “**Information**”). Except as otherwise described in this First Report:
 - a. the Receiver has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards (“**GAAS**”) pursuant to the Chartered Professional Accountant of Canada Handbook (the “**CPA Handbook**”) and, as such, the Receiver expresses no opinion or other form of assurance with respect to the Information presented in this First Report.

- b. the Receiver has filed this First Report solely for the purpose of providing information to this Court and in accordance with paragraph 3 of the Receivership Order. Parties using the First Report other than for the purposes outlined herein are cautioned it may not be appropriate for their purposes.
 - c. As noted in various parts of this Report below, the Receiver has serious concerns as to the accuracy, completeness and reliability of the Debtor's books and records.
8. Unless otherwise noted, all monetary amounts contained in this First Report are expressed in Canadian dollars.

EXECUTIVE SUMMARY

9. Pursuant to the Receivership Order, the Receiver conducted a preliminary investigation into the transactions related to SMFI's syndicated mortgage loan portfolio, the status and realizable value of the underlying mortgages and the status and realizable value of the Respondents' interests in the joint venture agreements included in the Property.^a
10. The Receiver's investigation was hampered by significant deficiencies in SMFI's information systems. A combination of system design limitations, poor record-keeping and questionable transactions presents serious challenges to reconciling amounts invested by SMFI's investors and the disposition of the proceeds arising from transactions in the mortgage portfolio.

Transactions Related to the SML Portfolio

11. There are 117 unique Investors and 123 Investor accounts in the SML portfolio. Many of the Investors are part of related groups composed of family members, corporate entities and trusts.
12. Most investments were made in SMLs that entitled the Investors to principal and interest payments arising from the underlying mortgage loan. Investments in certain housing development deals like Ballymore, Alliance and Waterways (collectively, the "**Projects**") also provided Investors with returns arising from equity in the housing developments, which 248 and 198 (collectively, the "**Equity Corps**") held.

13. The principal cause of SMFI's financial difficulties is related to the structure of the Projects, and particularly the interest on the loans. Interest on the mortgage advances to the Projects was capitalized, which meant that very little interest was actually paid by borrowers to SMFI. At the same time, SMFI had to pay monthly interest to Investors, creating a cash-flow deficit.
14. To address the deficit, SMFI solicited new investments from Investors and allocated funds in its records to SMLs that were already fully subscribed and, in many cases, had already been repaid by the mortgage borrower. This aggravated the cash-flow deficit, as interest had to be paid on the new principal investments as well.
15. The table below provides an estimate of SMFI's cash-flows in the period January 1, 2020 to December 31, 2024. Given the challenges with SMFI's books and records, the Receiver has not been able to verify that these figures are accurate, but it is reasonably confident they present a reasonable approximation of SMFI's financial position.

The Mortgages

16. Of the 38 active SMLs only 11 SMLs have mortgages which have not been discharged. These Active Mortgages relate to both residential homes and housing development projects. The Receiver expects two of these mortgages to be repaid in June, 2025 and another in June, 2026.

17. Realizations on the remaining Active Mortgages will be less straightforward. The Receiver will need to do further work to assess the status of the various development projects and determine the best way to recover proceeds for Investors.

The Joint Venture Agreements

18. Each of the Projects is subject to a joint venture agreement (“JV”) between, among others, a Builder and an Equity Corp. The JV sets out the rights and obligations of each party and the mechanism for distributing profits between the Members (as defined below).
19. The Projects themselves are in various stages of completion. Waterways is nearly complete, with only a few remaining units left to be sold. Alliance and Ballymore have both completed most of the first phase of development but still have a substantial number of homes to complete. It is not clear at this time whether it will be economically viable to build all the homes and complete the phases.
20. The table below sets out the Receiver’s estimate of potential realizations from the Active Mortgages and the Projects. These are preliminary estimates and may not fully reflect the cost of completing the Projects or realizing on the Active Mortgages.

21. The Receiver's Investigation, while preliminary in nature, has led to the general conclusions and recommended next steps which are set out at the end of the Report. At a high level, significant additional work is required to: (a) reconcile Investor accounts; (b) investigate potential reviewable transactions; (c) explore options and best paths to optimize and maximize recoveries from the Projects for the benefit of all Investors; and (4) formulate a claims process and suitable scheme of distribution, taking into account the complexities and challenges created by the Debtor's information systems and record keeping.

BACKGROUND

The Debtors and Related Parties

22. Background to the Receiver's appointment, including a description of allegations of wrongdoing by SMFI and Sanford Sussman ("**Sussman**"), are set out in the Application, a copy of which is available on the Receiver's case website at <https://brileyfarber.com/engagements/sussman-mortgage-funding-inc/> (the "**Case Website**").
23. SMFI is a private Ontario corporation operating as a registered mortgage broker, mortgage administrator and deposit broker. 248 and 198 are each private Ontario corporations that act as participant Members in the JVs.
24. Sussman is the sole director and officer of each of SMFI, 248 and 198. Copies of corporation profile reports for each company are attached hereto as **Appendix "C", "D"** and **"E"**, respectively.

further development, there may be significant additional realizations for Investors. The Receiver will continue to explore the potential for further development. The above are estimates only. Actual realizations will be driven by a number of complex considerations and may be materially different from preliminary estimates provided.

25. SMFI operates from offices located at 129 Dunlop Street East, Barrie, Ontario (the “**Premises**”). The Premises are owned by Mortgage Funding Building Inc. (“**MFB**”), a private corporation controlled by Sussman.
26. A corporate organization chart setting out the relationship between the Debtors, MFB and the related parties described in this First Report is attached hereto as **Appendix “F”**.

The Syndicated Mortgage Loans

27. SMFI acted as a broker of syndicated mortgage loans. Under an SML structure, investments from private investors are aggregated by a mortgage broker and invested in a mortgage against real property.
28. SMFI historically offered investments in mortgages secured against single-family homes in the Simcoe region (“**Residential SMLs**”). However, in the early 2000’s, SMFI began offering SMLs secured by mortgages against various housing development projects (“**Development SMLs**”).
29. These Residential SMLs were typically structured with a term of one year and typically included a prepaid interest reserve covering between three and 12 months of interest.
30. Currently, SMFI has 38 SMLs for which principal investments have not been repaid. These are referred to in this report as “**Active SMLs**”.
31. As noted throughout this First Report, the Receiver has significant concerns about the accuracy, completeness and reliability of SMFI’s financial records and information systems. The information set out in this section sets out the amounts reflected in the books and records the Receiver has been able to locate and review. Where possible the Receiver has reconciled discrepancies between different information systems, but offers no assurance as the accuracy or completeness of the information. Additional work will be required by the Receiver, beyond the scope of this preliminary investigation to reconcile information as between the various accounting and information systems and SMI investors’ own records. The total principal invested in the Active SMLs is approximately \$101

million. A schedule of the Active SMLs is attached hereto as **Appendix “G”**. The table below provides a summary of the portfolio with respect to the status of the underlying mortgages.

Mortgage Status	No.	Approximate Principal Invested in SML
Discharged	27	60,000,000
Active	9	35,000,000
Power of Sale	2	6,000,000
Total	38	101,000,000

The Joint Venture Agreements

32. SMFI advanced funds (a mix of acquisition and construction financing) to certain housing development projects (the “**Projects**”). A summary of the Projects is provided below. Additional detail on each Project is provided in greater detail later in this report.
33. In addition to SMFI’s direct investment in the Projects, Sussman personally holds and controls equity in each Project through one of either 248 or 198 (each an “**Equity Corp**”). While Sussman has advised the Receiver that the interests held by the Equity Corp. are held in trust for Investors, the Receiver has been unable to identify any agreement or documentation supporting this assertion.

Project	Equity Corp.	Approximate Principal Invested in SML
Ballymore	2486976 Ontario Inc.	44,000,000
Alliance	1981361 Ontario Inc.	25,000,000
Waterways	1981361 Ontario Inc.	3,910,000
Total		72,910,000

34. The Receiver notes that it appears that principal amounts invested in each SML may exceed actual mortgage advances to the Project.
35. For each Project, the rights and obligations of the Equity Corp are set out in an agreement between the Equity Corp and the Builder (as defined below), among others.

- a. 248 is party to a joint venture agreement dated January 19, 2016, as amended on March 31, 2016 (the “**Ballymore JV**”) between 248, Ballymore Development (Innisfil) Corp. (“**Ballymore**”) and Ballymore Building (Innisfil) Corp. (the “**Ballymore Nominee**”). A copy of the Ballymore JV is attached hereto as **Appendix “H”**.
 - b. 198 is party to a co-tenancy agreement dated April 5, 2019 (the “**Alliance JV**”) between 198, Alliance Compro Inc. (“**Compro**” and, together with Ballymore, the “**Builders**”), Alliance Homes Inc. (“**Alliance**”) and 2114568 Ontario Inc. (the “**Alliance Nominee**”). A copy of the Alliance JV is attached hereto as **Appendix “I”**.
 - c. 198 is also party to a co-ownership and management agreement dated January 30, 2020 (the “**Waterways JV**” and, together with the Ballymore JV and the Alliance JV, the “**JVs**”) between 198, Compro, Alliance and Waterways of Muskoka Ltd. (the “**Waterways Nominee**” and, together with the Ballymore Nominee and the Alliance Nominee, the “**Nominees**”). A copy of the Waterways JV is attached hereto as **Appendix “J”**.
36. In each Project, ownership of the Project is split between the Equity Corp. and the Builder, each of which is referred to as a “Member”. Title to the Project in each case is held by the Nominee and beneficial ownership is held by each of the Members as tenants in common.
37. Sussman has advised the Receiver that the Equity Corps. hold their interests in the JVs for the benefit of Investors.

ACTIVITIES OF THE RECEIVER

38. Since the issuance of the Receivership Order, the Receiver’s activities have included:
- a. conducting a detailed review of the books and records and financial affairs of the Debtor that the Receiver was able to locate, the results of which are summarized in this First Report;
 - b. regularly updating the Receiver’s Case Website;

- c. preparing the Notice and Statement of the Receiver pursuant to Sections 245(1) and 246(1) of the *Bankruptcy and Insolvency Act* for each of the Debtors;
- d. securing the Premises (located in Barrie, Ontario);
- e. securing SMFI's books and records, including both physical and computerized files located at the Premises;
- f. termination of SMFI employees as at the date of our appointment and retaining key SMFI staff to assist the Receiver, on a contract basis (the "**Retained Contractor**");
- g. extensive discussions with the Retained Contractor regarding GIC matters and reconciliation of amounts owing to Investors;
- h. extensive correspondence with external bookkeeper of SMFI concerning employee information, trust account reconciliations, and Canada Revenue Agency matters, among others;
- i. providing notice to guaranteed investment certificate ("**GIC**") institutions regarding the Receivership and the termination of GIC services;
- j. reviewing materials related to the Representative Counsel motion, discussion with proposed Representative Counsel, and attending the associated case conference and hearing;
- k. fulfilling its obligations under the Representative Counsel Order;
- l. corresponding extensively with Avison Young, the realtor retained by the Receiver, to ascertain the value of SMFI's interest in the Projects;
- m. reviewing mortgage documents and reconciling each mortgage with SMFI's records;
- n. reviewing supporting information provided by Investors regarding amounts owing to them from SMFI;

- o. extensive correspondence with Investors and other stakeholders regarding the proceedings;
- p. corresponding extensively with the Receiver's counsel, Dentons Canada LLP, regarding all matters pertaining to these proceedings;
- q. corresponding extensively with FSRA's counsel, Chaitons LLP, concerning FSRA's investigation of SMFI;
- r. corresponding extensively with counsel for various Investors;
- s. dealing with various administrative matters; and
- t. drafting this First Report.

Employees

- 39. SMFI had three full-time employees at the Date of Appointment: a mortgage broker and two deposit brokers. Neither 248 nor 198 had any employees.
- 40. Immediately following its appointment, the Receiver issued termination letters to all of the employees. The Receiver subsequently entered into an independent contractor agreement with one of the former employees to assist with: (a) winding down the GIC Business (as defined below); and (b) the Receiver's investigations into the SMLs.
- 41. The Receiver has made the required filings under the *Wage Earner Protection Program Act* ("WEPPA") and has provided information necessary to file WEPPA claims to all former employees.

GIC Business Wind Down

- 42. In addition to operating as a mortgage broker, SMFI operated as a deposit broker. SMFI's role as a deposit broker involved soliciting GIC deposits from retail investors for placement with financial institutions. In this capacity SMFI did not hold funds in trust for investors, but did have delegated authority to instruct financial institutions in the investment of customer funds.

43. Pursuant to paragraph 4(c) of the Receivership Order, the Receiver is empowered to cease to carry on the GIC business of SMFI (the “**GIC Business**”).
44. Immediately following its appointment, the Receiver engaged a former employee to assist with the wind-down of the GIC Business. On May 14, 2025 the Receiver distributed notices to all financial institutions holding GICs for SMFI investors advising of the wind down of the GIC Business and that future payments or correspondence should be sent directly to investors.
45. The Receiver also arranged for all payments held by SMFI to be released directly to GIC investors.

INFORMATION SYSTEMS AND RELATED CHALLENGES

46. In conducting its investigations into the SMLs, the Receiver relied on two principal information systems: a mortgage information system (“**PxPlus**”); and an accounting system (“**Sage**”), along with bank account statements and physical records.
47. As described more fully below, the Receiver has identified significant issues with the completeness, accuracy and reliability of the Information, particularly with PxPlus and Sage. This has implications for the ability to reconcile investor data, identify the quantum and timing of their investments and into which projects and mortgages their funds were deployed.

PxPlus

48. PxPlus was designed for SMFI by an Investor and is used to record transactions related to both the SMLs and the GIC Business.
49. With respect to the SMLs, PxPlus provides information with respect to principal and interest transactions on both the investor and borrower sides of a transaction. There are several issues arising from the design and use of PxPlus that present challenges:
 - a. At the end of each fiscal year, records for SMLs where the loan has been fully repaid by the borrower are purged from the system. Sussman has advised the Receiver that

this purge is automatic. The Receiver has not been able to confirm independently that this is the case. As a result, the Receiver must rely on physical print-outs of fully paid loans.

- b. To mitigate issues with data storage, Sussman has advised the Receiver that he caused certain SML records in PxPlus to be deleted or edited. As an example, records related to the A-14 mortgage were deleted in 2020 and a new file was opened as A-14. (with a period following the “A-14”) that opened with closing balances of each Investor’s position. As a result, transactions from preceding years are only recorded on physical printouts. The Receiver has not confirmed that physical printouts in SMFI’s records are a complete record of preceding transactions nor has the Receiver had an opportunity to verify all of the opening balances. Additionally, in some cases opening balances in the new mortgage file do not match closing balances in the old file.
- c. PxPlus does not allow reports to be exported to .xlsx or .csv formats, requiring the Receiver to run ledger reports and then manually transfer data into MS Excel workbooks for analysis. As some SML records include thousands of transactions, this is a significant and time-consuming undertaking.
- d. PxPlus does not allow the user to edit previous transactions. Instead, an offsetting transaction must be entered to reverse the effect of the previous transaction. For example, if a user inadvertently enters a transaction showing a deposit of \$100,000 by Investor X, that transaction cannot be deleted or reversed. Instead, the user must enter a transaction showing a withdrawal of \$100,000 on the same day. This practice creates uncertainty when attempting to match transactions to other information systems.
- e. PxPlus transaction records do not reflect whether a particular investor’s principal balance was repaid in cash or re-invested in another SML. To determine the disposition of principal, the Receiver must review all principal transactions for the investor in PxPlus and try to match dates and principal amounts to arrive at an assumed destination for the principal reinvestment. In many cases it is impossible to determine the disposition of a principal repayment set out in PxPlus.

- f. PxPlus transaction records often do not match transactions recorded in Sage or the bank statements. By way of example, the following sets out the records of the borrower's repayment of outstanding amounts in the H-26 SML:
 - i. Bank statements reflect the receipt of a wire in the amount of \$421,491.38 on August 22, 2024;
 - ii. Sage ledger reports reflect the receipt of the same amount on July 31, 2024 and record it as "31Jul2024 sale, H-26 Howarth"; and
 - iii. PxPlus shows no record of the repayment at all.

Sage

- 50. Sage is a widely used commercially available accounting platform. The principal challenges with Sage are related to the bookkeeping practice employed by SMFI and not to the features of the system.
 - a. The Receiver retained SMFI's former bookkeeper to assist in reconciling transactions in Sage. The bookkeeper advised that she frequently entered information without supporting documentation on Sussman's instructions.
 - b. The trust account reconciliations prepared by the former bookkeeper that the Receiver has reviewed are little more than records of unpresented cheques. Sussman advised the Receiver that cheques for interest payable were automatically issued by Sage each month. Where funds were unavailable to cover the issued cheques, the cheques were simply not sent to Investors.
 - c. There does not appear to have been any regular reconciliation of amounts in the trust bank account to the individual loan or Investor accounts, or any reconciliation of amounts recorded in Sage against those in PxPlus.
- 51. The Receiver has observed that the Debtor's bookkeeping practice varies widely when recording transactions. In many cases, principal investments will be recorded as "into B-73", indicating that either cash has been invested into loan B-73 or principal from another

loan has been transferred or reinvested into loan B-73. However, it is also common to see “into ???” as a notation, providing no insight as to which loan received the principal.

52. Transactions are also inconsistently recorded in Sage across accounts in the general ledger, such that it is unclear which Investor is impacted by an Investment, mortgage repayment or other transaction.
53. Records in Sage only go back to 2019. Sussman has advised that there may be physical financial records for the 2017 and 2018 fiscal years, but there are likely no records available for prior years. As many of the SMLs originated prior to 2019, the lack of available financial data will make it extremely challenging to reconcile transactions relating to those SMLs and to determine amounts owing to, or invested by, Investors.
54. Finally, as with PxPlus, information on the same transaction is reflected inconsistently in the various information systems. For example, Sage reflects a construction advance from loan C-13 in the amount of \$120,000 on April 21, 2021. A review of bank records reveals no such transaction; there is no disbursement in that amount until November, 2021. PxPlus shows no advances at all from C-13 in April, 2021.

Bank Accounts

55. SMFI maintains two bank accounts with TD Bank. One account, the “**General Account**”, is primarily used for operating expenses, including wages and office-related costs. The second account, the “**Trust Account**”, is designated for handling investor and borrower payments and repayments. Sussman is the sole signing officer for the bank accounts.
56. The Trust Account periodically transfers funds to the General Account to cover brokerage fees and syndication commissions.
57. The Trust Account does not segregate funds by individual mortgage and all amounts related to all mortgages flow in and out of this account.
58. Additionally, MFB holds a separate bank account with TD Bank (the “**MFB Account**”). The General Account makes monthly rent payments of \$4,425 to the MFB Account. In certain situations, SMFI has deposited investor funds into the General Account and

transferred a portion of these funds to the MFB Account to cover MFB expenses (such as property taxes).

Implications for Investigation

59. As outlined above, the Receiver has substantial concerns regarding the accuracy and reliability of the Information.
60. The deletion of records for loans that have been fully repaid by borrowers, combined with the absence of data for SMLs originating prior to 2019 will make reconciliation of those amounts extremely difficult. In the absence of a complete accounting of the origination of investor funds and the transactions between borrowers, it will be challenging to produce an accurate or comprehensive reconciliation of the SMLs. When attempting to locate certain physical print-outs, it was found that many records were either incomplete or have been comingled with other SML records, further increasing the challenges of reconciliation.
61. For those SMLs with records in Sage and PxPlus, inconsistent transaction entries in Sage make it difficult to determine whether transactions represent cash movements or transfers between SMLs. The absence of detailed bank reconciliations for each SML within the Trust Account hinders this further.
62. Furthermore, the challenges in reconciling transactions across PxPlus, Sage, bank account statements and physical records hinders the ability to determine which source of Information can be used as the most reliable and accurate source.

THE INVESTIGATION

63. Pursuant to paragraph 4(g) of the Receivership Order, the Receiver is authorized to review and investigate (the “**Investigation**”):
 - A. transactions related to the syndicated mortgage loans brokered by SMFI and the disposition of any proceeds;
 - B. the status and realizable value of the underlying mortgages; and

- C. the status and realizable value of the Respondents' interests in the joint venture agreements included in the Property.

A. Transactions Related to the SMLs

Investments

64. SMFI's records reflect a total of 117 unique Investors and 123 Investor accounts. Many of the Investors are part of related groups. Individual Investors often hold both unregistered and registered accounts (e.g. RRSP, RRIF accounts).
65. Funds provided by Investors (the "**Investments**") were invested in either Residential SMLs or Development SMLs or a combination. Investments in most SMLs are governed by a simple, one-page agreement (the "**Standard Investment Agreement**") between the Investor and SMFI which sets out:
- a. the investment amount;
 - b. the SML and its terms; and
 - c. certain standard terms and acknowledgments, including that a request for an early redemption of the Investment will only be accommodated if a replacement Investor is available.
66. A copy of a template Standard Investment Agreement is attached hereto as **Appendix "K"**.
67. Investments in SMLs related to the Projects are governed by a slightly modified agreement (the "**Equity Investment Agreement**" and, together with the Standard Investment Agreement, the "**Investment Agreements**") which includes language to the effect that the Investor is also entitled to its proportionate share of a 50% equity stake in the Project. A copy of a template Equity Investment Agreement is attached hereto as **Appendix "L"**.
68. In theory, Investments would be made by Investors in two circumstances: (a) at the inception of an SML transaction, prior to advancing funds to the Borrower; and (b) in

response to a solicitation from Sussman for funds to replace the Investment of an Investor who had requested an early redemption in an existing SML.

69. In practice, it appears that SMFI also accepted Investments in two additional circumstances: (c) after the advance of funds to a Borrower in a fully subscribed SML (an “**Oversubscription**”); and (d) as a “transfer” of principal amounts between SMLs (a “**Principal Transfer**”), with or without the Investor’s authorization.
70. To illustrate the treatment of Investments, the Receiver has prepared a summary of the flow of principal (excluding interest) for SML H-26.
 - a. As shown in the table below, the initial SML transaction was valued at \$420,000, of which \$407,000 was advanced to the borrower and \$13,000 was paid to SMFI as brokerage fees.
 - b. Following the initial Investment of \$420,000, SMFI solicited Oversubscriptions in the amount of \$1.76 million to the SML.
 - c. Principal in the amount of \$270,000 was transferred, with or without Investor consent, to the A-18 SML.
 - d. Further Oversubscriptions were received, purportedly into H-26.
 - e. Principal was repaid to only one of the investors (Investor RO02) in the amount of \$20,000.

Investors

71. Based on the Receiver’s preliminary review of the Information, and subject to the Receiver’s concerns around the accuracy and completeness of the Information as discussed above, the Receiver has prepared a schedule of principal amounts invested by each Investor (the “**Investor Schedule**”), a copy of which is attached hereto as **Appendix “M”**.
72. To address privacy concerns, the Receiver has redacted the name of Investors in the Investor Schedule and has replaced the account name with an alphanumeric code.
73. The Investor Schedule includes the following:
 - a. An overview of each Investor’s principal investments as reflected in PxPlus, Sage and records provided by the Investor;
 - b. A detailed schedule for each Investor showing the net principal invested by SML as reflected in PxPlus, Sage and records provided by the Investor² (if applicable).
74. The Receiver notes the following with respect to the Investor Schedule:
 - a. Investors were invested in an average of four SMLs, with 77 Investors holding investments in multiple SMLs. The largest number of SML investments held by a single Investor is 25.

² The Receiver sent a written request to all Investors on May 14, 2025 to request that they submit a summary of their investments, including net principal investments and outstanding interest payments, together with copies of any supporting documentation, to assist the Receiver in its review of SMFI’s mortgage transactions. We have received responses from only certain Investors as at the date of this report. The Receiver will continue to collate information received from Investors and will account for any future analysis.

- b. There is a discrepancy of approximately \$201,000 between the principal balances reported in PxPlus and Sage. Most of this variance (\$155,000) is attributable to a single investor's principal balance. The reason for this discrepancy is unknown.
- c. Upon reviewing the variances between the records provided by the Investors and those from PxPlus and Sage, there is a variance of approximately \$1,000,000, with the sum of the amount reported by the Investors being higher. This amount is expected to increase as additional investor documentation is received. Currently, only 77 Investors of the 123 have submitted records.
- d. This is consistent with what has been reported to the Receiver by certain Investors. These Investors have indicated that, although they invested funds with SMFI, they did not receive the appropriate documentation in return. This suggests that not all of the investments were likely not recorded in PxPlus and Sage, and opens the possibility that SMLs may exceed \$101 million noted earlier in the report
- e. SMFI and MFB are both investors in the SMLs with principal balances reported from Sage and PxPlus of \$1,228,586 and \$798,000, respectively. The invested funds from SMFI appear to have been transferred into the Trust Account from the General Account. The Receiver has not been able to confirm the source of funds for the SMFI and MFB Investments.

Disposition of Proceeds

- 75. The Receiver's preliminary review of the Information suggests that proceeds arising from the repayment of mortgage advances ("**Proceeds**") were used to fund: (a) repayments of invested principal; (b) interest payments; (c) advances to the Projects; and (d) brokerage fees and salaries. The table below sets out a high-level summary of cash flows as reflected in the Information. The Receiver notes again that this Information has not been verified and additional work is required to fully reconcile the cash flows. However, there is illustrative value in the estimates provided.

	2020	2021	2022	2023	2024	Total
Cash Inflows						
Principal Investments	24,468,869	24,082,488	19,530,396	13,445,643	9,151,571	90,678,968

	28,990,589	38,620,801	25,933,516	16,718,565	10,583,894	120,847,365
Cash Outflows

Brokerage Fees	(1,510,953)	(1,379,908)	(1,487,347)	(1,263,636)	(868,888)	(6,510,731)

	(20,977,230)	(27,636,127)	(25,253,887)	(23,613,403)	(20,391,250)	(117,871,898)
Net Cash	8,013,359	10,984,674	679,629	(6,894,839)	(9,807,356)	2,975,468

76. The Receiver notes that the interest payment amount in 2024 in particular is likely overstated, as SMFI's staff had not completed corrections to T5 slips to reflect cheques that were printed but not actually issued to Investors.

77. Based on the Receiver's preliminary review, all Proceeds were deposited to the Trust Account and were comingled with other funds in that account.

Principal Repayments

78. Repayments of principal were to be available to Investors at maturity and prior, subject to the availability of a replacement investment. In practice, repayments of principal were made during the term of the investment regardless of whether replacement funds were available. A schedule of principal repayments in the period January 1, 2020 to December 31, 2024 (the "**Repayment Schedule**") to each Investor is attached hereto as **Appendix "N"**. Given the limitations identified above with respect to the Information, the Receiver has not yet been able to determine whether each of the principal repayments were cash payments or Principal Transfers (i.e. the accounting records do not clearly set out whether transfers out of Investments were cash payments to Investors or transfers of invested funds into another mortgage/project.)

79. The Receiver has also not yet been able to determine to what degree Principal Repayments were funded by Proceeds or by new Investments.

80. The Receiver notes the following with respect to the Repayment Schedule:

- a. During the period, 58 out of the 123 investors received repayments of principal. Notably, the five investors who received the highest amounts accounted for approximately 43% of the total principal repayments distributed.
- b. In 2022, principal repayments were the highest, totaling approximately \$7.0 million for that that year.

Interest Payments

81. A key factor in the liquidity challenges faced by SMFI is the imbalance in cash flows related to interest payments, with interest payments far exceeding interest received from Investments. This imbalance and resultant liquidity challenge arose as a result of the Oversubscriptions (all of which earned interest whether funds were deployed or not) and from timing differences in interest-related cash flows on the Development SMLs.
82. As noted above, many of the SMLs were significantly oversubscribed, creating an imbalance between interest received on the mortgage advance and interest paid out to Investors.
83. This problem was compounded by imbalances in interest-related cash flows arising from the Development SMLs, which were driven by two issues.
 - a. First, interest payments to Investors in the Development SMLs were based on the total amount of the mortgage facility. Mortgage advances, however, were made incrementally over time up to the maximum available amount. As a result, interest earned on the advances was necessarily less than interest paid to Investors (i.e funds were not fully deployed from the start date of their investment).
 - b. Second, interest on the Development SMLs was capitalized over the life of the mortgage. Repayments of the mortgages related to the Development SMLs were made periodically when funds became available from the sale of constructed houses. Again, this led to a situation where interest payments to Investors were necessarily unfunded.
84. The Receiver has not yet been able to reconcile interest payments across all SMLs. Given the issues identified above with respect to the quality and reliability of the Information, the

Receiver has made certain assumptions in estimating cash flows associated with interest. The Receiver has relied on SMFI's tax reporting to estimate interest payments to Investors and on certain bookkeeping conventions to identify the receipt of interest payments from borrowers. This approach is somewhat flawed in that it will not identify prepayments of interest, but the Receiver does not believe that variance to be material given the relative size of interest inflows and outflows. The Retained Contractor indicated that the interest payments made to Investors in 2024 remain uncertain, as certain T5 slips required amendments due to cheques that were issued but never delivered. The table below sets out the Receiver's estimate of interest-related cash flows.

	Interest Received	Interest Paid	Net Cash Flows
2020	389,621	(12,165,676)	(11,776,056)
2021	231,023	(12,946,862)	(12,715,839)
2022	40,364	(13,416,751)	(13,376,388)
2023	111,236	(14,810,334)	(14,699,098)
2024	52,229	(16,334,852)	(16,282,623)
Total	824,472	(69,674,476)	(68,850,004)

85. At this preliminary stage, it appears to the Receiver that the Net Cash shortfalls (as summarized in the above table) were funded from new Investments and/or cash distributions from the Projects, as these were the only material sources of cash in the period under review.

Mortgage Advances to the Projects

86. Advances under the Development SMLs were made by SMFI to the Nominee as funds were required by the Borrowers to advance the development or construction of the Project. Total advances to each Project, based on the Receiver's preliminary review of the Information and on accountings provided by the Builders, are set out in the table below.
87. As shown below, there were minimal advances to the Projects in the years 2020 through 2024. For Ballymore in particular, no funds were advanced to the Project in the period. On an aggregate basis, SMFI received \$9.3 million more from the Projects than it advanced.

Salaries and Brokerage Fees

88. SMFI charged brokerage fees as compensation for its services in brokering the SMLs. As described in the Investment Agreements, these fees were calculated as 6% of interest payable to Investors in the SML. Total brokerage fees collected as recorded in SMFI's records are set out in the table below.

	2020	2021	2022	2023	2024	Total
Brokerage Fees	1,510,953	1,379,908	1,487,347	1,263,636	868,888	6,510,731

89. In addition, Sussman received an annual salary from SMFI. Total amounts recorded in SMFI's records as gross salary for Sussman for the period 2020-2024 are set out in the table below.

	2020	2021	2022	2023	2024	Total
Sussman's Salary	765,100	1,446,500	900,000	562,200	557,800	4,231,600

B. The Mortgages

90. As discussed above, there are 38 Active SMLs in the SMFI portfolio. A schedule setting out the details and status of the mortgages related to the Active SMLs (the "**Mortgage Schedule**") is attached as **Appendix "O"** hereto.

91. The Mortgage Schedule shows that mortgages for all but 11 of the Active SMLs have been discharged. The disposition of the Proceeds arising from the repayment of mortgage loans is discussed in greater details above.
92. The status of the balance of the mortgages (the “**Undischarged Mortgages**”) other than those related to the Uptergrove Project and the Waterways Project is discussed below. The status of mortgages related to the Uptergrove Project and Waterways Project is discussed later in this report in the context of the JVs.

The Raseta Mortgages

93. SMLs R-61 and R-66 (the “**Raseta SMLs**”) relate to advances made to Sam Raseta and 2067041 Ontario Ltd. (together, “**Raseta**”) in respect of lands municipally known as 2970 Fesserton Side Rd., Waubaushe, Ontario (the “**Raseta Lands**”).
94. The Receiver has not been able to determine the complete history behind the Raseta SMLs, but understands that the mortgages related to a real estate development project in Waubaushe. The Raseta Lands are adjacent to a series of residential properties located along Georgian Heights Boulevard (the “**Georgian Heights Properties**”). Title searches show that the Georgian Heights Properties were encumbered by charges in favour of SMFI in 2007 and that those charges were discharged between 2013 and 2017.
95. The Raseta Lands were also encumbered by a charge in favour of SMFI on July 10, 2007. All charges in favour of SMFI were transferred to Logpin Investments Ltd. (“**Logpin**”) on December 16, 2024. Logpin is controlled by one related group of Investors.
96. The Raseta Lands have not been developed, but are the subject of applications for a zoning by-law amendment and plan of subdivision submitted on August 23, 2021 by 2801829 Ontario Inc. (“**280**”), a corporation incorporated by Sussman to develop the Raseta Lands. Additional investigation is required to determine the nature of the relationship between SMFI and 280, the status of the development project, and the ultimate realizable value of the Raseta Lands.

Heritage Village

97. SML H-37 (the “**Heritage SML**”) relates to advances made to Alliance Heritage Village Inc. (“**Alliance Heritage**”) in respect of lands in Creemore, Ontario legally known as Lots 12 and 13; and Blocks 16 and 17, Plan 51M1163 (the “**Heritage Lands**”).
98. The Receiver has not been able to determine the complete history behind the Heritage SML but understands that the mortgages were related to a real estate development in Creemore. The Heritage Lands were part of a proposed subdivision known as Hometown Creemore originally approved in 2008. Alliance Heritage developed the first phase of 25 homes but then sold the balance of the development to Tribute (Creemore) Ltd. (“**Tribute**”).
99. The Heritage Lands were originally encumbered with a charge in favour of SMFI in July, 2019 (Lots 12 and 13) and February, 2020 (Blocks 16 and 17). The charge on Lots 12 and 13 was partially discharged on March 10, 2022 and fully discharged on April 26, 2022. The charge on Blocks 16 and 17 (the “**Remaining Heritage Lands**”) was transferred to Logpin on December 16, 2024.
100. The Receiver has been advised by Alliance Heritage that, following the sale of the development to Tribute, several potential development options for the Remaining Heritage Lands were explored. The current plan is for the construction of four detached homes. Additional investigation is required to determine the status of the development project and the ultimate realizable value of the mortgage on the Remaining Heritage Lands.

The Bidmead Mortgage

101. SML B-95 relates to advances made to Colin Bidmead (“**Bidmead**”) in respect of two residential properties municipally known as 2 Mill Street, Coldwater, Ontario and 10 Coldwater Road, Severn, Ontario (the “**Coldwater Properties**”) and 5970 Line 9 North, Waubaushene, Ontario (the “**Waubaushe Property**” and, together with the Coldwater Property, the “**Bidmead Properties**”).
102. The advances were originally made pursuant to SML B-94 in July, 2023. SMFI advanced \$690,000 to Bidmead to finance the construction of a house on the Waubaushene Property.

Bidmead provided a charge against 2 Mill Street as collateral security and later replaced that charge with a charge against 10 Coldwater Road.

103. Sussman has advised the Receiver that SML B-95 was originated to provide additional construction financing and to take out the principal investments in B-94.
104. The Bidmead Properties are currently subject to a charge in favour of SMFI and Olympia Trust Company (“**Olympia**”) in favour of certain SMFI Investors who invested funds through registered investment accounts (the “**Registered Investors**”).
105. The Receiver has corresponded with Bidmead and has been advised that Bidmead intends to repay the mortgage on maturity in June, 2025. Based on a mortgage statement prepared by SMFI, the Receiver expects to receive approximately \$750,000 at maturity. Based on SMFI’s records there are principal investments in B-94 and B-95 outstanding in the amount of \$1.34 million.

The Subramaniam Mortgages

106. SMLs S-26 and S-27 relate to advances made to Wareswan Subramaniam (“**Subramaniam**”) in respect of real property municipally known as 1345 Bardeau St., Innisfil, Ontario (the “**S-26 Property**”) and 1026 Green Street, Innisfil, Ontario (the “**S-27 Property**”).
107. SMFI advanced \$304,000 to Subramaniam in June, 2023 in respect of the S-26 Property, secured by a \$500,000 mortgage (the “**S-26 Mortgage**”). The S-26 Mortgage matures in June, 2025 and is repayable in monthly payments of blended principal and interest in the amount of \$4,918 with a balloon payment at maturity. The S-26 Property is currently encumbered by a charge in favour of SMFI and Olympia in trust for certain Registered Investors.
108. In respect of the S-27 Property, all of the investments were made by Registered Investors. \$290,000 was advanced by Olympia, secured by a mortgage (the “**S-27 Mortgage**”) maturing in April, 2026 and repayable in monthly payments of blended principal and interest in the amount of \$2,853 with a balloon payment at maturity. The S-27 Property is

currently encumbered by a charge in favour of Olympia in trust for certain Registered Investors.

109. On May 7, 2025 the Receiver emailed Subramaniam to advise him of the receivership proceedings and to instruct him to remit monthly payments for S-26 and S-27 to the Receiver. On May 15, 2025 the Receiver again emailed Subramaniam to advise that payments for S-27 had not been received for March, April or May, 2025. Finally, on May 23, 2025 the Receiver wrote to Subramaniam to advise that a post-dated cheque in respect of the S-26 Mortgage had been returned for insufficient funds and that Subramaniam was in default of both mortgages. A copy of the Receiver's emails are attached hereto as **Appendix "P"**.
110. On May 23, 2025 the Receiver wrote to Ramachandran Law, counsel to Subramaniam, noting the default and demanding payment in full of the payments in arrears by May 27, 2025, failing which the matter would be referred to counsel for further action. A copy of the Receiver's letter is attached hereto as **Appendix "Q"**. The Receiver has been advised by Ramachandran Law that payment of the arrears will be made shortly.

Mortgages Related to the Projects

111. Information on mortgages related to the Uptergrove Project and the Waterways Project is provided below as part of the discussion of the JVs.

C. The Joint Venture Agreements

112. As set out above, the Projects are governed by the JVs. The following section discusses the scope of the JVs, the relationship between the parties, the status of the Projects, and the Receiver's estimate of potential recoveries on each Project.

The Ballymore Project

Background and Current Status

113. The Ballymore Project is a housing development consisting of four separate parcels in Innisfil, Ontario (the "**Ballymore Property**"), including:

- a. 1335 Killarney Beach Road, Innisfil (“**1335**”), a 10.9 acre site currently under construction for a 130 unit detached home subdivision;
 - b. 1317 Killarney Beach Road, Innisfil (“**1317**”), a 3.5 acre site which is currently vacant but is the subject of an Official Plan Amendment and Zoning By-Law Amendment to permit the development of a mix of 3-storey common element townhouses and 3-storey back-to-back townhouses;
 - c. 1015 Cumberland St., Innisfil (“**1015**”), a 3.2 acre property which is currently vacant but is the subject of an Official Plan Amendment and Zoning By-Law Amendment to permit the development of 16 single detached homes; and
 - d. 1490 Killarney Beach Road, Innisfil (“**1490**”), a 7.5 acre site which is currently vacant. There are conceptual plans for 102 townhouse units, but no formal applications have been submitted.
114. SMFI’s involvement with the Ballymore Project dates back to 2006, when SMFI advanced funds to Baywood Homes (Big Bass Phase 1) Inc. (“**Baywood**”) for the development of a housing project (the “**Baywood Project**”). Baywood was unable to complete the development and the senior secured lender enforced on its mortgage. The Ballymore Nominee purchased the Ballymore Property through a power of sale proceeding.
 115. The Receiver understands that funds raised from investors in the Ballymore SMLs were used to (a) finance the purchase of the Ballymore Property; and (b) repay investors in the original Baywood Project. No mortgages were actually granted in favour of SMFI in connection with the Ballymore SMLs. There were two mortgages in favour of SMFI in place at the time the Ballymore Property was acquired, but these were fully repaid.
 116. Given the issues identified above with the Information, the Receiver has not to date been able to derive a complete accounting of those funds.
 117. At present, only 1335 has been developed. All but 19 of the 130 units in 1335 have been completed and closed. The remaining 19 units are subject to executed purchase agreements and are expected to close by September 2025. Ballymore advises that it expects to realize

profits of approximately \$14 million from the sale of the remaining homes, which would be subject to distribution pursuant to the terms of the JV.

118. Ballymore relaunched marketing of the 1317 development on May 31, 2025 and intends to begin construction in spring, 2026, subject to the outcome of pre-sale efforts. Once complete, Ballymore expects the 1317 development to result in profits of approximately \$2 million but cautions that the current state of the housing market may have a negative impact on projected sales and on the project schedule.
119. Development of 1015 and 1490 has not begun and the timeline to develop these phases is unclear.

The Ballymore JV

120. The Ballymore JV governs the development of the Ballymore Project and the rights and obligations of Ballymore and 248. The Ballymore Nominee holds title to the Ballymore Property for the Members. Each of 248 and Ballymore hold a 49.98% interest in the Ballymore Project, with the balance of 0.04% held by the Ballymore Nominee. Key terms of the Ballymore JV include:
 - a. 248 and Ballymore are both responsible for providing a certain portion of funds required for the acquisition of the Ballymore Property.
 - b. 248 is entitled to recover a portion of the funds provided for purchase (the “**Sussman Deemed Equity**”) before any profit distributions are made to the Members.
 - c. The Members are required to contribute additional funds after the closing of the acquisition under certain circumstances.
 - d. Following the repayment of all debt and equity obligations, Surplus Cash (as defined in the Ballymore JV) is to be distributed to Members according to the interest set out above.
 - e. Management of the Ballymore Project is provided by a Management Committee consisting of a representative of each of 248 and Ballymore.

Potential Realization

121. The Receiver engaged Avison Young (“**AY**”) to prepare an opinion of value (the “**AY Opinion**”) in respect of the Ballymore Property. Based on the Receiver’s review of the AY Opinion, and subject to the customary assumptions and qualifications contained therein, the Receiver estimates the realizable value of 248’s interest in the Ballymore Project, which includes proceeds from the closing of units already sold and proceeds from the sale of land, to be between \$8.0 million and \$10.0 million.

The Alliance Project

Background and Current Status

122. The Alliance Project is a housing development consisting of a manufactured home community on an 11.5 acre site at 5166 Highway 12 and 3396 Concession 10 Road, Ramara, Ontario (the “**Alliance Property**”). The Alliance Project is a land-lease community, in which customers purchase the homes but lease the land, generating an additional income stream for the land owner.
123. The development plan includes a total of 300 manufactured homes. 111 of the lots have been serviced. Phase 1 consists of 100 units, of which 87 are currently built and occupied. Phases 2 and 3 consist of 100 units each which have yet to be constructed.
124. There are three mortgages registered against the Alliance Property (the “**Alliance Mortgages**”). Interest on the mortgage advances is capitalized (i.e. not paid in cash but added to the principal amount of the mortgage). As discussed above, the capitalization of interest, particularly on the Alliance Project, has materially contributed to SMFI’s liquidity issues as interest is paid to Investors monthly. The Receiver has been provided with an accounting of mortgage advances and interest calculations by Alliance and is in the process of reconciling those figures with information in SMFI’s records. The Receiver estimates that the total amount payable on the mortgages related to the Alliance Project is approximately \$35 million.

The Alliance JV

125. The Alliance JV governs the development of the Alliance Project and the rights and obligations of 198, Compro, Alliance and the Alliance Nominee. Each Member holds a 50% interest in the Alliance Project, with title to the Alliance Property held by the Alliance Nominee. Key terms of the Alliance JV include:
- a. All net profits derived from the Property shall belong to the Members in accordance with their respective interests;
 - b. Additional funds required in excess of those available from external lenders are to be contributed exclusively by 198;
 - c. The Cash Surplus (as defined in the Alliance JV) is distributed to Members when funds become available in accordance with a priority scheme set out in the Alliance JV, and only after necessary repayments of principal and interest to third-party lenders;
 - d. Management of the Alliance Project is provided by a Management Committee composed of one representative from each of 198 and Compro.

Potential Realizations

126. The Receiver has reviewed a draft appraisal of the Alliance Project prepared by Colliers International Realty Advisors Inc. (“**Colliers**”) for Alliance dated March 25, 2025 (the “**Colliers Appraisal**”).
127. Realizations from the Alliance Property would be first applied to repayment of the Alliance Mortgages and then to distribution of profit to the Members in equal parts. Based on the Receiver’s review of the Colliers Appraisal, and subject to the customary assumptions and qualifications contained therein, it estimates that the realizable value of proceeds from the Alliance Property to be between \$20.6 million and \$26.5 million.
128. Given the uncertainty surrounding the viability of further development, the Receiver’s estimate of value assumes that the development of Phase 2 and 3 does not proceed and that realizations from those phases are limited to land values. If economic conditions support

further development, there may be significant additional realizations for Investors. The Receiver will continue to explore the potential for further development.

The Waterways Project

Background and Current Status

129. The Waterways Project is a housing development consisting of a 34 residential building lots on the southwest corner of Highway 118 West and Santas Village Road, Bracebridge ON (the “**Waterways Property**”). The Waterways Property is segregated into Blocks 3, 4, 5, 8, 10 and 20. All but eight of the units have been completed and closed. Alliance expects the remaining units to close in the next six months.
130. There are two mortgages registered against the Waterways Property (the “**Waterways Mortgages**”). The Receiver has reviewed an accounting prepared by Alliance and is in the process of reconciling it with information in SMFI’s records. Given the discrepancy between the accounting prepared by Alliance and SMFI’s records, the Receiver is unable to estimate the amount owing under the Waterways Mortgages at this time and recommends that further work be done to establish estimated realizable values.

The Waterways JV

131. The Waterways JV governs the development of the Alliance Project and the rights and obligations of 198, Compro, Alliance and the Waterways Nominee. Each Member holds a 50% interest in the Waterways Project, with title to the Waterways Property held by the Waterways Nominee. Key terms of the Waterways JV include:
 - a. All net profits derived from the Property shall belong to the Members in accordance with their respective interests;
 - b. Additional funds required in excess of those available from external lenders are to be contributed in equal shares by the Members;
 - c. 198 commits to provide an additional advance of up to \$600,000 if required;

- d. The Cash Surplus (as defined in the Waterways JV) is distributed to Members when funds become available in accordance with a priority scheme set out in the Alliance JV, and only after necessary repayments of principal and interest to third-party lenders and repayment of Members' equity advances;
- e. Management of the Alliance Project is provided by a Management Committee composed of one representative from each of 198 and Compro.

Potential Realizations

- 132. Based on its review of information provided by Alliance with respect to projected revenues from the sale of the eight remaining units and projected costs to complete the sales, the Receiver estimates that realizations from the Waterways Mortgages and 198's interest in the Waterways Project to be between \$1.0 million and \$1.2 million.

CORRESPONDENCE WITH REGISTERED INVESTORS

- 133. On May 6, 2025, Jay Teichman ("**Teichman**"), a Registered Investor, wrote to Chaitons LLP and the Receiver advising that he and his wife wished to pursue individual remedies as Registered Investors in respect of the B-95, S-26 and S-27 remedies and seeking the Receiver's consent to same.
- 134. The Receiver responded to Teichman and advised that: (a) it considered the Investments in each of the SMLs to be Property as defined in the Receivership Order; (b) the stay of proceedings imposed by the Receivership Order applied to the SMLs; and (c) the Receiver could not consent to Teichman's proposed enforcement. A copy of the email exchange between Teichman and the Receiver, including additional emails through May 23, 2025, is attached hereto as **Appendix "R"**.
- 135. Teichman has written directly to Subramaniam to demand that payments on the S-26 Mortgage and the S-27 Mortgage be made to Olympia for the benefit of him and other Registered Investors, including Michael Stein ("**Stein**"), who has also written to the Receiver supporting Teichman's position. Copies of Teichman's letters to Subramaniam are attached hereto as **Appendix "S"**.

136. As described herein, the Registered Investors represent only a portion of the total principal invested in SMLs B-95 and S-26. Any enforcement by Teichman in respect of those mortgages would be prejudicial to other Investors in those SMLs.
137. With respect to the S-27 Mortgage, the Receiver's review of SMFI's records (to the extent that they can be relied upon) suggests that Teichman and Stein are the only Investors in the SML. Funds were advanced to Subramaniam directly by Olympia and all interest payments made to Teichman and Stein to date have been funded by Subramaniam. As such, and subject to this Court's approval, the Receiver Teichman and Stein be allowed to enforce their remedies in respect of the S-27 Mortgage only.

ASSESSMENT OF PAST TRANSACTIONS

138. The Receiver has identified several sets of transactions related to the SMLs as potentially requiring further review (the “**Reviewable Transactions**”). These include: (a) transactions involving assignment of mortgages and interests in the JVs to Logpin (the “**Logpin Transactions**”); (b) a grant to certain Investors by MFB of mortgage security (the “**MFB Security**”) over the Premises; and (c) a series of transactions in July, 2024 in which Investor funds may have been misappropriated. Since the Receiver is early in its investigations, the list of potential Reviewable Transaction may grow.

The Logpin Transactions

139. As disclosed in the statement of claim issued on April 4, 2025 (the “**Goldfarb-Greenspan Claim**”) by Logpin, The Goldfarb Corporation, Gary Goldfarb and Jeffrey Goldfarb (the “**Goldfarb Plaintiffs**”) and by Suzy and Julianna Greenspan (the “**Greenspan Plaintiffs**”), on December 30, 2024, Sussman, SMFI and 248 executed various documents granting a security interest in certain assets related to the Ballymore Project to Logpin. These include:
- a. A promissory note (the “**Ballymore Note**”) in respect of SMFI and 248's indebtedness to the Goldfarb Plaintiffs in the amount of \$14,919,990 in respect of the Ballymore Project (amended on February 5, 2025 to reflect indebtedness of \$15,619,990);

- b. A general security agreement in favour of SMFI and 248 (the “**Ballymore GSA**”) and a personal guarantee from Sussman (the “**Ballymore Guarantee**”) in respect of the Ballymore Note;
 - c. An assignment by 248 of its co-tenancy interest and interest in cash flow under the Ballymore JV (the “**Ballymore JV Assignment**” and, together with the Ballymore Note, the Ballymore GSA and the Ballymore Guarantee, the “**Ballymore Security**”);
140. On February 5, 2025 Sussman, SMFI and 198 executed various documents granting a security interest in certain assets relating to the Waterways and Alliance Projects to Logpin. These include:
- a. A promissory note (the “**Alliance Note**”) in respect of SMFI and 198’s indebtedness to the Goldfarb Plaintiffs in the amount of \$27,130,054.17 in respect of the Alliance Project, \$2,420,000 in respect of the Waterways Project, and \$15,619,990 in respect of the Ballymore Project;
 - b. A general security agreement in favour of SMFI and 198 (the “**Alliance GSA**”) and a personal guarantee from Sussman (the “**Alliance Guarantee**”) in respect of the Alliance Note;
 - c. An assignment by 198 of its co-tenancy interest and interest in cash flow under the Alliance JV (the “**Alliance JV Assignment**” and, together with the Alliance Note, the Alliance GSA and the Alliance Guarantee, the “**Alliance Security**”);
141. In addition to the Ballymore Security and the Alliance Security, the Receiver has been advised that the Logpin also took assignment of the mortgages set out below. The mortgages in bold are unrelated to the Ballymore Security and the Alliance Security.

MFB Security

142. On or about February 28, 2025, as security for certain Investments by WFE Investment Corp. (“WFE”) and Jeffrey Citron Professional Corporation (“Citron”), Sussman caused MFB to issue a mortgage in the amount of \$800,000 in favour of WFE and Citron. The mortgage was registered against the Premises under instrument number SC2116273.

Potential Misappropriation

143. The Receiver has been advised by several Investors of transactions which do not conform to typical investments.
144. In the first case, Investor JO02 advised the Receiver that Sussman asked them to invest \$40,000 in February 2025 but Sussman insisted they do so by providing blank cheques in specific denominations. Investor JO02 further advised that they provided the cheques as requested and were told by Sussman that he would give them details of the mortgage at a later date.
145. However, on review of their bank statements, Investor JO02 discovered that the cheques had been issued to, and cashed by, other Investors and MFB. A schedule of these payments is set out below. Sussman has confirmed to the Receiver that he entered the payee names and delivered the cheques to the other Investors.
146. The Table below summarizes the disposition of the \$40,000 received as follows:

Cheque No.	Payee	Amount
90	Investor TP01	12,000.00
91	Investor CA01	3,524.99
92	Investor CA02	1,214.16
93	Investor PI02	3,289.99
94	Investor CO01	3,897.39

95	Investor PI01	940.00
-	Bank Draft* (MFB)	15,133.47
Total		40,000.00

* The funds from the bank draft in the amount of \$15,133.47 were deposited to the MFB Account and were used to settle obligations of MFB.

147. In the second case, an Investor provided Sussman with \$50,000 in July, 2024 for what he was told was a 30-day investment at an interest rate of 10.5%. The funds were deposited to SMFI's general account and comingled with funds in that account. No documentation was provided to the individual supporting any investment.
148. Finally, Investor TP01 provided Sussman with a cheque for \$25,000 in July, 2024. Again, Sussman provided no information on the investment beyond it having a one-month term and an interest rate of 10.5%. The funds were deposited to the trust account and \$10,000 was subsequently transferred to the general account. There is no record of any investment at that time or in that amount for Investor TP01 in the Information.

CONCLUSION

149. The Receiver's Investigation, while preliminary in nature, has led to the following general conclusions:
 - a. The Information suffers from significant deficiencies that will make it very difficult to fully reconcile the cash flows associated with the SMLs and the associated claims of Investors;
 - b. The comingling of funds related to the various SMLs both within the Trust Account and between the Trust, General and Building Accounts may prohibit any tracing required to establish trust claims in respect of the SMLs and the Investments;
 - c. A principal cause of SMFI's financial difficulties was liquidity imbalances (estimated to be in \$60M range) arising from the payment of interest to Investors in respect of SMLs for which (a) no interest was received from the borrower or (b) the borrower had previously repaid all advances. While advances to the Projects may have created

liquidity challenges in prior years, SMFI's net payments to the Projects in the period 2020-2025 were not material; and

- d. Many Investors have Investments across multiple SMLs, such that it will likely be very difficult to identify a group of Investors whose Investments could be ring-fenced to particular recoveries.
150. The Receiver has identified the following key steps to be taken in the receivership proceedings, subject to a confirmation and / or expansion of its mandate:
- a. Develop and execute a plan to realize on the Active Mortgages and the interests of 248 and 198 in the Projects;
 - b. Continue the review of the Information and take all reasonable steps to locate and review such additional information that may exist and can be identified by the Receiver;
 - c. Continue the reconciliation of cash flows associated with the SMLs to determine whether Investments in any of the SMLs can be traced into specific Investments . Due to the comingling of funds, poor record keeping and complexity of the flow of funds, it is likely that a review and assessment of potential fair and equitable distribution mechanisms will need to be completed.
 - d. Further investigate the Reviewable Transactions to determine whether any of them constitute a preference, transfer at under value, or fraudulent conveyance and, in consultation with the Investors and counsel, determine whether to pursue a recovery in respect of any or all of the Reviewable Transactions; and
 - e. Conduct a comprehensive claims process to quantify the claims of Investors and other stakeholders against the assets of the Debtors, including Property held in Trust.

All of which is respectfully submitted this 2nd day of June, 2025.

11. **THIS COURT ORDERS** that no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by the Respondents, without written consent of the Receiver or leave of this Court.

CONTINUATION OF SERVICES

12. **THIS COURT ORDERS** that all Persons having oral or written agreements with the Respondents or statutory or regulatory mandates for the supply of goods and/or services, including without limitation, all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services to the Respondents are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Receiver, and that the Receiver shall be entitled to the continued use of the Respondents' current telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the date of this Order are paid by the Receiver in accordance with normal payment practices of the Respondents or such other practices as may be agreed upon by the supplier or service provider and the Receiver, or as may be ordered by this Court.

RECEIVER TO HOLD FUNDS

13. **THIS COURT ORDERS** that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any

source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this Order or hereafter coming into existence, shall be deposited into one or more new accounts to be opened by the Receiver (the "**Post Receivership Accounts**") and the monies standing to the credit of such Post Receivership Accounts from time to time, net of any disbursements provided for herein, shall be held by the Receiver to be paid in accordance with the terms of this Order or any further Order of this Court. Notwithstanding anything else contained in this Order, nothing in this Order shall affect or be deemed to affect or alter in any manner the holding of any property in trust by the Respondents for investors, which shall continue and remain in effect at all times.

EMPLOYEES

14. **THIS COURT ORDERS** that all employees of the Respondents shall remain the employees of the Respondents until such time as the Receiver, on the Respondents' behalf, may terminate the employment of such employees. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*.

LIMITATION ON ENVIRONMENTAL LIABILITIES

15. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "**Possession**") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario Water Resources Act*, or the *Ontario Occupational Health and Safety Act* and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers

under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

16. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

17. **THIS COURT ORDERS** that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts, up to the maximum principal amount of \$300,000, which amount includes third-party expenses incurred in carrying out the provisions of paragraph 4 herein, until completion of the Preliminary Report and a return to Court (the "**Preliminary Expense Amount**"), or such further amounts as may subsequently be approved by this Court, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "**Receiver's Charge**") on the Property, as security for the Preliminary Expense Amount, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA. Notwithstanding anything else contained in this Order, including the granting of the Receiver's Charge to secure the Preliminary Expense Amount pending any further Order of the Court, the determination of whether assets or property held by the Respondents in trust for any third party ought to be subject to the Receiver's Charge for any amounts other than the Preliminary Expense Amount is expressly without prejudice to the rights of any party to advance such legal arguments following delivery of the Preliminary Report, which rights are expressly reserved. For greater certainty, the reservation of rights does not apply to the Receiver's Charge for the Preliminary Expense Amount, which is granted on an unopposed basis by those in attendance, without any determination on legal arguments that may be raised thereafter.

18. **THIS COURT ORDERS** that the Receiver and its legal counsel shall pass its accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

19. **THIS COURT ORDERS** that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

20. **THIS COURT ORDERS** that the Receiver's Charge shall not be enforced without leave of this Court.

21. **THIS COURT ORDERS** that the appointment of the Receiver over all Property and the Receiver's Charge granted over all Property to secure the Preliminary Expense Amount (or any other amount as may be ordered by the Court in future, subject to paragraph 17 herein) shall not be deemed in any way to reflect or predetermine the basis upon which the costs and expenses of the Receiver, or any proceeds that may arise from or be realized from the Property, may ultimately be allocated or distributed as the case may be, pursuant to a further Order of the Court. For greater certainty, steps taken by the Receiver and the costs incurred by the Receiver pursuant to this or any further Order shall, to the extent possible, be allocated by the Receiver based on the separate properties, mortgages, projects and/or investments, including, but not limited to, those identified in Exhibit "J" to the Leung Affidavit, for the purposes of any future allocation or distribution.

SERVICE AND NOTICE

22. **THIS COURT ORDERS** that the E-Service Guide of the Commercial List (the "**Guide**") is approved and adopted by reference herein and, in this proceeding, the service of documents made in accordance with the Guide (which can be found on the Commercial List website at <https://www.ontariocourts.ca/scj/practice/regional-practice-directions/eservice-commercial/>) shall be valid and effective service. Subject to Rule 17.05 this Order shall constitute an order for substituted service pursuant to Rule 16.04 of the Rules of Civil Procedure. Subject to Rule 3.01(d) of the Rules of Civil Procedure and paragraph 21 of the Guide, service of documents in accordance with the Guide will be effective on transmission. This Court further orders that a Case Website

shall be established in accordance with the Guide with the following URL
[‘https://brileyfarber.com/engagements/sussman-mortgage-funding-inc/’](https://brileyfarber.com/engagements/sussman-mortgage-funding-inc/).

23. **THIS COURT ORDERS** that if the service or distribution of documents in accordance with the Guide is not practicable, the Receiver is at liberty to serve or distribute this Order, any other materials and orders in these proceedings, any notices or other correspondence, by forwarding true copies thereof by prepaid ordinary mail, courier, personal delivery or facsimile transmission to the Respondents' creditors or other interested parties at their respective addresses as last shown on the records of the Respondents and that any such service or distribution by courier, personal delivery or facsimile transmission shall be deemed to be received on the next business day following the date of forwarding thereof, or if sent by ordinary mail, on the third business day after mailing.

GENERAL

24. **THIS COURT ORDERS** that the Receiver may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.

25. **THIS COURT ORDERS** that nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of the Respondents.

26. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

27. **THIS COURT ORDERS** that the Receiver be at liberty and is hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for the recognition of this Order and for assistance in carrying out the terms of this Order, and that the Receiver is authorized and empowered to act as a representative in respect of the within proceedings for the purpose of having these proceedings recognized in a jurisdiction outside Canada.

28. **THIS COURT ORDERS** the Applicant's request for its costs of the application are to be determined by this Court on motion by the Applicant on not less than seven (7) days notice to the Service List.

29. **THIS COURT ORDERS** that any interested party may apply to this Court to vary or amend this Order on not less than seven (7) days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

REPRESENTATIVE COUNSEL ORDER

THIS MOTION, made by certain investors who invested in mortgages brokered and administered by Sussman Mortgage Funding Inc. ("**SMFI**") pursuant to investor agreements entered into with SMFI, for an Order, among other things, appointing Aird & Berlis LLP ("**A&B**") as representative counsel of all investors who contracted with SMFI for the administration of mortgage investments was heard on this day at 330 University Ave, Toronto, Ontario.

ON READING the Notice of Motion dated April 29, 2025, the Affidavit of Harley Zaretsky sworn April 29, 2025, the Supplementary Affidavit of Harley Zaretsky sworn May 1, 2025, the Affidavit of Gordon Starkman affirmed May 9, 2025, the Affidavit of Dannallyn Salita sworn May 12, 2025, the Supplemental Affidavit of Dannallyn Salita sworn May 15, 2025, and the Affidavit of Beatrice Loschiavo sworn May 15, 2025, and on hearing the submissions of A&B, as counsel for the moving parties, and such other parties as were present, no one else appearing although duly

served as appears from the affidavits of service of Daisy Jin sworn April 29, 2025 and May 15, 2025, filed

1. **THIS COURT ORDERS** that the time for service of the Notice of Motion is hereby validated so that this motion is properly returnable today and hereby dispenses with further service thereof.
2. **THIS COURT ORDERS** that Aird & Berlis LLP is hereby appointed as representative counsel (in such capacity, “**Representative Counsel**”) to represent the investors who invested in mortgages brokered and administered by SMFI pursuant to any written, oral, express or implied investor agreements entered into with SMFI (each an “**Investor**” and collectively, the “**Investors**”) in respect of the claims (“**Claims**”) of the Investors in this proceeding. For greater certainty, “Investors” as such term is defined and used throughout this Order shall not include the Opt-Out Investors (as defined below).
3. **THIS COURT ORDERS** that Representative Counsel may determine, advance or compromise any Claims of the Investors, provided that each Investor reserves the right to advance any Claim against any other Investor or Opt-Out Investor including, without limitation, with respect to priority of Claims and preferential transactions or conveyances involving any Investor or Opt-Out Investor. Similarly, nothing contained herein shall affect the rights of any Opt-Out Investor to advance any claim against any Investor or any other Opt-Out Investor.
4. **THIS COURT ORDERS** that Representative Counsel shall have access to and the right to examine all relevant records and data kept by the Investors and all relevant records and data related to the Investors in the possession and control of B. Riley Farber Inc., in its capacity as court-appointed receiver of the Respondents (the “**Receiver**”), in any form whatsoever, and all associated costs shall be borne by the Investors and treated as a disbursement incurred by Representative Counsel.
5. **THIS COURT ORDERS** that pursuant to s. 7 of the *Personal Information Protection and Electronic Documents Act*, S.C. 2000, c. 5, the Receiver is authorized and permitted to disclose personal information of identifiable individuals who are believed to be Investors to Representative Counsel, provided, however, that the Receiver shall not disclose the personal information of any Opt-Out Investors who have notified the Receiver of their status as an Opt-Out Investor prior to the delivery of any such personal information to Representative Counsel. Representative Counsel shall maintain and protect the privacy

of such information and shall limit the use of such information to its role as Representative Counsel.

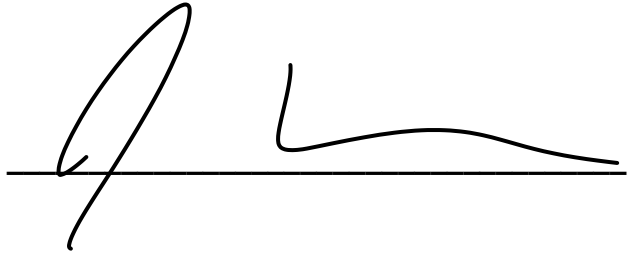

6. **THIS COURT ORDERS** that a committee of representatives of the Investors (the “**Representative Investors Committee**”), comprising a maximum amount of seven (7) members, shall be constituted in respect of the within receivership proceedings, pursuant to consultation with the Investors and the Receiver to ensure that membership represents a diverse range of Investors, provided that Investors may be appointed to or removed from the Representative Investors Committee from time to time on such terms as may be agreed to by the Representative Investors Committee or established by further order of this Court to ensure diverse and appropriate representation.
7. **THIS COURT ORDERS** that Representative Counsel may rely on and act on the instruction of the majority of the Representative Investors Committee in the course of their engagement, without further communication from the Investors, except as may otherwise be ordered by this Court.
8. **THIS COURT ORDERS** that the Representative Investors Committee and Representative Counsel acting on its behalf are authorized to take all steps and to perform all acts necessary or desirable to carry out the terms of this Order on behalf of the Investors, including, without limitation, by:
 - (a) reviewing and advising Investors on the Receiver’s preliminary report to stakeholders and the Court with respect to the business and affairs of the Respondents and the status of the mortgages referenced in the order appointing the Receiver (the “**Receivership Order**”);
 - (b) filing and preparing materials, including any appeal materials, and advancing submissions in respect of any motions that may be scheduled to be heard in these proceedings;
 - (c) negotiating, as may be appropriate, any resolution to this application or any motion brought herein;
 - (d) bringing any motion as may be required to advance the interests of the Investors, including, without limitation, a motion, as necessary, to challenge the security granted by the Respondents in favour of any Opt-Out Investor; and
 - (e) performing such other actions as approved by this Court.

9. **THIS COURT ORDERS** that, with the exception of the Opt-Out Investors (as defined below):
- (a) Representative Counsel shall represent all Investors in connection with their Claims; and
 - (b) the Investors shall be bound by the actions of Representative Counsel with respect to the Claims.
10. **THIS COURT ORDERS** that the Representative Counsel shall be entitled to apply to this Court for advice and direction in the discharge or variation of its powers and duties set out in this Order.
11. **THIS COURT ORDERS** that Representative Counsel shall be entitled to the benefit of a charge attaching to the assets of the Respondents as security for its professional fees at its standard rates and charges, up to an aggregate maximum amount of \$150,000, exclusive of HST and disbursements (the “**Representative Counsel Charge**”). For greater certainty, and notwithstanding anything else contained herein: (i) the Representative Counsel Charge shall only secure the assets of the Respondents in relation to the interest of the Investors (and not the Opt-Out Investors), and (ii) payment of amounts to Representative Counsel from the assets of the Respondents or proceeds thereof shall only be made from the *pro rata* portion of the Respondents’ assets or proceeds to which the Investors (and not the Opt-Out Investors) have an interest. The *pro rata* interests of the Investors as described in this paragraph shall be defined as the “**Investors’ Interest**”.
12. **THIS COURT ORDERS** that Representative Counsel shall be entitled to charge its reasonable legal fees and disbursements in connection with fulfilling its mandate on behalf of Investors in accordance with this Order against the Investors’ Interests, as such proceeds become available for distribution, incurred at the standard rates and charges of the Representative Counsel, and such amounts when paid to Representative Counsel shall be treated for all purposes as payments made to the Investors from the Investors’ Interests in the assets of the Respondent.
13. **THIS COURT ORDERS** that the Representative Counsel shall pass its accounts from time to time, and for this purpose the accounts of the Representative Counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice, subject to such redactions to the invoices as are necessary to maintain solicitor-client privilege

between Representative Counsel and the Investors. Upon, or subject to the passing of its accounts, the Representative Counsel shall be entitled to receive payment of its fees by making a request to the Receiver, which amounts will be paid from the monetization of the assets of the Respondents (but only in respect of the Investors' Interest and not that of the Opt-Out Investors), as and when such proceeds become available.

14. **THIS COURT ORDERS** that the Representative Counsel Charge shall rank subordinate in priority to the Receiver's Charge (as defined in the Receivership Order) but only to the extent of the *pro rata* percentage of the Investors' Interests relative to the percentage of the interest of all investors, including the Opt-Out Investors.
15. **THIS COURT ORDERS** that the Representative Counsel Charge may be increased by further Order of the Court, provided that the Receiver's Charge is correspondingly increased in an amount deemed appropriate by the Court.
16. **THIS COURT ORDERS** that the Representative Investors and Representative Counsel shall have no personal liability or obligations as a result of the performance of their duties in carrying out the provisions of this Order, or any subsequent Order in these proceedings, save and except for liability arising out of gross negligence or willful misconduct.
17. **THIS COURT ORDERS** that no proceeding may be commenced against the Representative Investors or Representative Counsel in respect of the performance of duties under this Order without leave of this Court, and on at least seven days' notice to the Representative Investors or Representative Counsel.
18. **THIS COURT ORDERS** that, by no later than May 22, 2025, a copy of this Order shall be delivered forthwith by the Receiver to all known Investors by way of email (to the extent that the Receiver has such email), and a copy of this Order shall be posted on the website of the court-appointed Receiver of the Respondents.
19. **THIS COURT ORDERS** that any investor who does not wish to be represented by the Representative Counsel shall notify Representative Counsel and the Receiver by no later than June 6, 2025 or otherwise with the written consent of Representative Counsel or further order of the Court and, thereafter, shall not be an "Investor" as defined herein and shall be responsible for representing themselves, personally or through counsel, as an independent individual party to the extent they wish to appear in these proceedings (the "**Opt-Out Investors**").

20. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States, to give effect to this Order and to assist Representative Counsel and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to Representative Counsel, as an officer of this Court, as may be necessary or desirable to give effect to this Order, to grant representative status to Representative Counsel in any foreign proceeding, or to assist Representative Counsel and its agents in carrying out the terms of this Order.
21. **THIS COURT ORDERS** that Representative Counsel and the Committee shall be at liberty and are hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for advice and directions in the discharge or variation of their powers and duties hereunder.
22. **THIS COURT ORDERS** that this Order and all of its provisions are effective as of 12:01 a.m. Eastern Standard Time on the date of this Order, and this Order is enforceable without the need for entry and filing.

The Offerees shall be entitled to require evidence of the date upon which and the price at which the Vendor has sold the Tenancy Interest, and evidence that such sale has been completed upon the terms and conditions contained in the offer.

(e) if the transaction of purchase and sale to such Offeror has not been completed within the said one hundred and twenty (120) day period, the foregoing provisions of this Article shall again apply in respect of the proposed transfer of the Tenancy Interest and so on from time to time.

(f) if the Vendor transfers the Tenancy Interest to the Offeror pursuant to and in compliance with the provisions hereof, the other Members and the Nominee shall do all such things and execute all such documents as may be reasonably necessary to effectuate such transfer.

(h) if the Offerees (hereinafter in this Article referred to as the "Purchasers" or "Purchaser") exercise the Option as aforesaid, the Vendor shall sell to the Purchaser or Purchasers, as the case may be, and the Purchaser or Purchasers shall purchase from the Vendor the Tenancy Interest in accordance with the terms of the offer as modified by the provisions of Subsection

Re: Sussman Mortgage Funding Inc. ("SMFI") – Maheswaran Subramaniam

Mr. Ramachandran,

On May 2, 2025, by order of the Ontario Superior Court of Justice (Commercial List) (the "**Appointment Order**"), B. Riley Farber Inc. was appointed as receiver (the "**Receiver**") without security of all the assets, undertakings and properties of Sussman Mortgage Funding Inc., 2486976 Ontario Inc. and 1981361 Ontario Inc. (collectively, the "**Debtors**") acquired for, or used in relation to, businesses carried on by the Debtors, including all proceeds thereof (the "**Property**"). A copy of the Appointment Order, along with other information related to the receivership proceedings, is available on the Receiver's website at <https://brileyfarber.com/engagements/sussman-mortgage-funding-inc/>.

The Receiver understands that SMFI and Maheswaran Subramaniam are party to the following mortgage arrangements:

Loan ID	Principal Amount	Interest Rate	Maturity Date	Monthly Payment	Property Secured
S-26	\$ 500,000	10.50%	6/8/2025	\$ 4,918	1345 Bardeau Street, Innisfil
S-27	\$ 290,000	10.50%	5/3/2026	\$ 2,853	1026 Green Street, Lefroy

The Receiver wrote to Mr. Subramaniam on May 7, 2025 to provide a copy of the Appointment Order and advise Mr. Subramaniam that all amounts payable under the two mortgages were to be paid to the Receiver. Specifically, Mr. Subramaniam was instructed not to cancel or place a stop payment on post-dated cheques that had been provided to SMFI.

On May 15, 2025 the Receiver wrote to Mr. Subramaniam to advise that payments had not been received on the S-27 mortgage for the months of March, April and May 2025. The Receiver requested that Mr. Subramaniam confirm when those payments would be received.

On May 23, 2025 the Receiver was advised that cheque 099 in the amount of \$4,918 payable to SMFI, which had been deposited by the Receiver, had been returned due to a stop payment. The Receiver wrote to Mr. Subramaniam and demanded immediate payment of outstanding amounts due under the S-26 and S-27 mortgages. The Receiver telephoned Mr. Subramaniam and was directed to Ramachandran Law.

The Receiver hereby demands immediate payment of \$8,559 in respect of the S-27 mortgage and \$4,918 in respect of the S-26 mortgage. These funds must be remitted via wire or bank draft payable to B. Riley Farber

Inc. by no later than Tuesday, May 27, 2025. If the Receiver does not receive payment by that date the matter will be referred to counsel.

If you have any questions or concerns please contact the undersigned at 905-904-7400 or via email at rwilliams@brileyfin.com.

Jay,

We continue to investigate the financial interests held in the various mortgages. That being said, we take the position that each of these mortgages falls within the definition of Property set out in the receivership order and that the stay applies. We are not prepared to consent to the lifting of the stay.

The answer to your questions (i) and (ii) below is yes in both cases.

Thanks for your reply Richard.

We aren't denying that sussman brokered these mortgages (although we wish that we hadn't dealt with him) but we are denying that these mortgages are sussman's property. sussman has no interest whatsoever in S26 and S27. he is not entitled to anything.

Is the receiver stating that sussman or some other investor has a financial interest in these mortgages? if not, we should be free to deal with our property directly with the borrower.

despite sussman having no interest, are you saying that (i) all payments of principal and interest must be made to the receiver and

(ii) we can't deal with the borrower without a court in that regard? I'm trying to understand the process.

Thanks.

Jay,

We have made our views clear on this matter. Each of the investors in question entered into investment agreements with SMFI. The fact that your registered investments are held through a custodian does not change the fact that these deals were brokered through SMFI. We consider them to be included in Property and take the position that the stay applies. As I have said repeatedly, we do not consent to any enforcement action by you or Mr. Stein.

Hi Richard.

I'm following up on the exchange of emails below among you, Michael Stein and me.

As advised: "I have electronic copies of all reg'ed docs and in this regard I again attach copies of my letters to the

borrower (Subramaniam) of S26 and S27 which includes copies of the reg'd docs and sets out the history of each mortgage loan and discloses the investors.

S26 has 3 investors, Teichman, Stein and Roberts.

S27 has 2 investors, Teichman and Stein."

SMFI has no interest in these mortgages; it is not an investor nor the mortgage administrator.

Authority to deal with these mortgages, including receipt of several past due monthly payments and payout of principal, lies with the investors, Teichman, Stein and Roberts.

Please confirm the foregoing so that we can proceed to deal with the borrower and his lawyer without the receiver's further involvement.

My investments in these mortgages comes from my retirement funds, my RRIF and TFSA, with OTC. S26 matures on June 23, 2025. I need this money to live on.

Thanks.

OK, thanks Richard.

I have electronic copies of all reg'ed docs and in this regard I again attach copies of my letters to the borrower (Subramaninam) of S26 and S27 which includes copies of the reg'ed docs and sets out the history of each mortgage loan and discloses the investors.

S26 has 3 investors, Teichman, Stein and Roberts.

S27 has 2 investors, Teichman and Stein.

Hope this helps. thanks.

Jay and Michael,

I have spent the last few hours reviewing Sussman's
loan ledgers for these files. I still need to review the
mortgage documents, which are kept physically at
Sussman's office. I expect to do this tomorrow and will
come back to you after that.

I note that Sussman's records reflect that there are
additional investors in the S-26 mortgage. Even if we
determine that S-27 was simply administered by
Sussman, and does not include any actual investments
from SMFI investors, we will need to address the
investors' interest in S-26.

I will be back to you tomorrow with a more complete

Green St ,Lefroy mortgages

[EXTERNAL]

Good afternoon:

I just had a chance to read the exchange of correspondence between Jay Teichman and yourself.

I really don't understand how this Sussman Mortgage Funding Inc. (Sussman) Receiver order has relevance with the Maheswaran Subramaniam mortgages namely S26 (1345 Bardeau St Innisfil) and S27 (1026 Green St Lefroy) as these mortgages were originally registered in Olympia Trust Company , Calgary name In Trust for specific registered accounts from day one and Sussman never had any ownership and it was never a "Property" of Sussman as Sussman acted only as Administrator collecting 60 basis point fee from the monthly mortgage payments while being Administrator which was terminated on or before March 31/25.

We were advised from day one by Olympia Trust Company and Sussman that Sussman could be terminated at anytime as Administrator which both Jay Teichman and I did on or before March31/25 which Amanda Yu at Olympia Trust our account rep can verify. Consequently, Sussman is not Administrator after March 31/25 and never had any interest in the ownership of these mortgages as they were registered in Olympia Trust name In Trust for Jay Teichman, Bruce Roberts and my respective registered account(s) for S26 mortgage and for Jay Teichman and my registered account(s) for S27 mortgage.

We have over the past 2 months attempted to resolve collection of monies from Mr Subramaniam the borrower as we have not received any mortgage payments for either S26 or S27 since Dec/24 although Mr Subramaniam claims all payments were made to Sussman with some eTransfers sent to Sussman April 1 and April 9 when Sussman was no longer operating the Sussman business as licenses had expired and he was provided 2 notices in early March/25

by Mr Teichman that Sussman had been terminated as Administrator on these 2 mortgages and all payments after March 31/25 should not be made to Sussman.

Can you please confirm receipt of any payments made by Mr Subramaniam for S26 and S27 mortgages from Jan/25 until today which should be held in a Sussman trust account as these are trust funds not Sussman's and should be sent to Olympia Trust Company In Trust for each of our respective accounts based upon percentage ownership interest as was historically done when Sussman acted as Administrator for the benefit of each respective lenders registered account(s) at Olympia Trust Company.

Jay Teichman sent letters to Mr Subramaniam the borrower advising in early March/25 and mid March/25 that mortgage payments were in arrears and that we had not received any payments since Dec/24 on both S26 and S27 mortgages and that any payments made after March 31/25 would not be credited against the mortgages unless we received payments into our respective registered accounts at Olympia Trust Company. We required all outstanding arrears payments to be made directly to Olympia Trust Company In Trust to each of our respective registered accounts. We also requested Mr Subramaniam or his counsel to provide proof of payments made since Dec/24 by providing copies of any cheque(s) and/or eTransfers made to Sussman. Mr Subramaniam and his counsel were advised that Sussman was no longer Administrator and all payments should be made to Olympia Trust Company In Trust in Calgary by completing Olympia's monthly mortgage payment documentation so each of the respective lenders registered account(s) held at Olympia Trust Company would receive their percentage mortgage interest payments directly from borrower.

The S26 mortgage becomes due on June 23/25 and we advised the borrower and his lawyer that we are not renewing this mortgage and require all outstanding monies owing to be paid

on due date. If the borrower does not make monthly mortgage payments when due for both S26 and S27 mortgages and/or repayment of all monies owing on mortgage S26 is not paid on due date, we need to be able to exercise all legal rights to collect on these mortgages. How else can we recover our monies that are owing?

It seems the next court appearance is on June 26/25 after the S26 due date of June 23/25 . It is our understanding that Olympia Trust Company In Trust for each of our respective registered accounts must discharge mortgage with our instructions as lenders after receipt of all monies owing by borrower. Once Olympia Trust Company In Trust for each of the respective lenders registered accounts receives all monies due, they will remit payment to each of the respected registered lenders accounts based upon percentage ownership interests and will advise lawyer acting to discharge S26 mortgage since they are registered holder In Trust for each of the lenders Olympia Trust Company registered accounts.

I require these monthly mortgage payments and the principal repayment owing that is due on June 23 /25 for the S26 mortgage to live and need this matter resolved as soon as possible.

Please advise

Thx

Michael Stein

Carol and I terminated SMFI's administration involvement with our mortgages before the receiver was appointed and we notified Olympia Trust as well. Michael Stein has also terminated SMFI's involvement. We can provide copies if needed.

I appreciate the distinction between sussman's administration involvement and personal / corporate interest in the mortgages,; if [T]he Receiver is exclusively empowered to exercise any remedies in respect of the mortgages and is not prepared to consent to any enforcement action by investors, including those mortgages where SMFI has no personal / corporate interest in the mortgages, how will we recover our investments? As mentioned, none of S26, S27 and B95 has made any payments to us since December, 2024. We are elderly, semi-retired and need this money in our OTC accounts.

Thanks.

Hi Sarah and Emily.

I sent to Sarah a copy of my email below

regarding
SMFI and
B95 (Colin
Bidmead).

This
mortgage
matures on 6
June 2025.

We are not
being paid;
we haven't
been paid
since
December,
2024.

As stated
below, Carol,
my wife, and
I would like
to exercise
our default
remedies
and issue a
statement of
claim and
Notice of
Sale, but as
SMFI
remains an
owner of the
B95 charges
mentioned

above, the receiver's consent and cooperation is needed (s.4(j) and s.9 of the Order). I am seeking that consent.

Please
advise.
Thanks.

Hi George.

Hope all is well. I left you a message a couple of hours ago; I have to go out now so I'm sending this email.

Hi Sara. Nice to meet you electronically . My wife, Carol, and I are investors with Sussman.

I received the receiver's

email
yesterday
regarding its
appointment
(with a link to
several court
docs). As the
court has not
yet
appointed
representativ
e counsel for
the
unrepresente
d investors, I
am reaching
out to FSRA
and the
receiver for
some
information.
If I should be
dealing with
the receiver
alone, kindly
let me know
and I'll
communicate
with them. At
the moment,
I'm merely an
investor with
some
questions.

This email should not be interpreted to mean that I am not in support of the appointment of representative counsel for unrepresented investors.

1. Receiver's Mandate

(i) I sent to you a couple of charts prepared by me listing my investments (copies attached - I think these are the ones I sent to you). I want to ensure that the receiver is aware of my

investments.
Sara, I can
provide more
info if you
need it.

(ii) Section
2 of the
Order
defines
Property to
be "...all of
the assets,
undertakings
and
properties of
the
Respondents
acquired for,
forming part
of, or used in
relation to a
business
carried on by
the
Respondents
, any assets
or property
held by the
Respondents
in trust for
any third
party, and all
property,

rights,
intererests
and
proceeds
arising from
all joint
venture or
co-tenancy
agreements
entered into
by the
Respondents
, including
but not
limited to
those
described in
Schedule A
attached
hereto,
including all
proceeds
thereof...".

I'm not sure if
Property
includes the
investments
(H26, T20,
P12 and
B93) listed
on my
attached
schedule

(called "6 22
april 2025
inv
chart.docx")
where I
disclose the
\$525,000
paid to
Sussman by
the
borrowers
but not paid
to me. These
mortgages
have been
paid out and
discharged
from title by
Sussman's
lawyer.

*Are these
properties
included/add
ressed in the
Order or are
"paid out"
mortgages
excluded
from the
receiver's
purview? I
think that
s.4(f) and*

(g)(i) of the Order would pick up the investigation of "paid out" mortgages.

I can't go after these borrowers as they have paid Sussman, so I suspect that I must rely on the receiver's investigation and tracing of these funds.

Does the Receiver's mandate include tracing the funds which were paid to Sussman but not paid to me? *Is this addressed in s.4(g)(i) of*

*the Order
too?*

(iii) I'm also wondering if s.9 of the Order (No Proceedings against the Respondents or the Property) affects my investments in S26 & S27 disclosed on my attached chart called "6 22 april 2025 invt chart.docx"? Sussman is not an investor in S26 or S27 but is an investor in B94/95 (Bidmead, referred to below). None of these mortgages has been

paid since
December,
2024 (5
months in
arrears) and
I'd like to get
moving on
recovering
my funds. I
am in contact
with the
other
investors in
S26 and S27
and since
Sussman is
not an
owner/invest
or in these
mortgages,
I'm hopeful
that the
receiver's
consent is
not required -
is this
correct? If
the consent
is required, I
am seeking
that consent.

(iv) As
some of

Sussman's
invt's include
qualified and
non-qualified
syndicated
mortgages,
will the OSC
be involved?

I am also
writing today
regarding
B94/95/Colin
Bidmead.

Dear Sir:

\$500,000.00 loan to Maheswaran Subramaniam
Secured by a 2nd mortgage against 1345 Bardeau Street,
Innisfil (Lefroy), Ontario,
in favour of Olympia Trust Company in trust for Jay Teichman, Michael
Stein and Bruce Roberts
Mortgage Registration No. SC1988664
[referred to by Olympia Trust as MOR132953 and by Sussman Mortgage
Funding Inc. as S26]

I am contacting you in my personal capacity as an investor, being a part owner of the mortgage noted above. As you can see from the letterhead information above, although my office is located on Yonge Street, I am semi-retired and work from my house. After your review of this correspondence, please feel free to contact me directly on my cellphone 416-433-0237 or by email: jay@jayteichman.com. I have also included contact information for Olympia Trust Company below if you wish to contact them directly. I invite you to do so.

Sussman Mortgage Funding Inc. ("Sandy") arranged my \$153,000.00 investment in your \$500,000.00 mortgage from my RRIF account #314249 with Olympia Trust Company ("Olympia") as to 30.8%. I explain below the sequence of events and investments.

I attach a copy of the 1st 2 pages of your mortgage No. SC1988664 which discloses that the mortgaged property is 1345 Bardeau Street, Innisfil, Ontario, and that 60.8% is held by Sandy (\$550,00.00 x 60.8% = \$304,000.00) and Olympia holds the remaining 39.2% in trust for Michael Stein.

Subsequently, by Instrument No. SC2018550 (copy attached), Sandy and Olympia transferred this mortgage to Olympia as to (i) 30.8% in trust for me (\$500,000.00 x 30.8% = \$154,000.00. As I invested \$153,000.00, there is a minor arithmetic discrepancy calculated by Sandy and Olympia, I suspect – my interest should be disclosed as 30.6%; in any event, my investment is disclosed), (ii) 39.2% in trust for Michael Stein, and (iii) the remaining 30% in trust for Bruce Roberts. This correspondence only addresses my 30.8%. I haven't spoken with the other investors, do not know them and am not aware of their situation regarding this mortgage.

I understand that Sandy and Olympia directed you to make your monthly payment to Sandy, who, upon receipt, would then pay the balance to Olympia in trust for me.

Your total monthly payment is \$4,918.00, being a blended payment of principal and interest.

My RRIF share of your monthly payment is \$1514.74 (calculated as follows: \$4918.00 x 30.8% = \$1514.74). Again, due to a minor arithmetic discrepancy calculated by Sandy and Olympia, and due to your monthly payment being blended principal and interest, the exact amounts of these monthly payments made to me are insignificantly a bit different and I have been receiving \$1512.70 monthly.

Sandy has not paid anything to Olympia in trust for me since December, 2024, i.e., the January, February and March, 2025 payments have not been paid. The last payment Olympia received from Sandy was on January 13, 2025; this payment covered interest for December, 2024. I spoke with Olympia on March 12 to confirm this information.

I don't know if you have paid Sandy for January, February and March, 2025. When I asked for this information, Sandy promised payments. He has made several promises of payment, but no payment has been made.

If you have made these payments, I have not received credit for them in my Olympia accounts. Please let me know if you have made these payments and please send copies of the cancelled cheques or other evidence of payment.

I have notified Olympia that Sandy's authorization to act on my behalf for their mortgages has been revoked. Olympia has acknowledged this revocation. Olympia has notified me that I must contact you.

I want your payments to be made to Olympia in trust for me; not to Sandy. Olympia has advised me that they can assist in this change and that they require you to sign the attached Mortgage Payment Authorization Form. I have inserted the mortgage information; you must

insert the name of your bank in part 4, and in part 5 please attach a "void" cheque, insert your name, sign the form and insert the date of execution. **Once completed, kindly send the form to Olympia Trust Company, P.O. Box 2581, STN Central, Calgary, Alberta, T2P 1C8, Attention: Amanda Yu; email: YuA@olympiustrust.com.** Amanda's direct telephone line is 403-668-6986, if you should have any questions regarding execution and delivery of the Form or the truthfulness and veracity of any of the information in this letter.

Kindly let me know that you have sent the signed form to Olympia.

If you have delivered a similar form of mortgage payment authorization to Sandy, please cancel it with your bank to avoid duplicate payments being made (which I refer to more completely below).

If you have delivered post-dated cheques to Sandy, please advise Sandy to return them to you. You should also contact your bank and put a "stop payment" on them.

I appreciate that this may come as unwelcome news. You may feel that as you have been making payments to Sandy, this is my problem. It is my problem; this correspondence rectifies this dilemma. **Please accept this correspondence as my irrevocable direction to you to make all payments to Olympia on my behalf.** I hereby notify you that any payments made by you to Sandy after the date hereof will not be recognized by Olympia and you will not receive credit therefor. If you continue to make any payment(s) to Sandy in disregard of this direction, Olympia will be pursuing these payments – in other words, you will have to make "double" payment for each payment made to Sandy. If you have not made any of the January, February and/or March, 2025 payments to Sandy, please let Olympia and me know so that Olympia can facilitate these payments from your bank to Olympia.

Your next payment is due on March 23, 2025. Please ensure that it's made to Olympia Trust Company in trust for me.

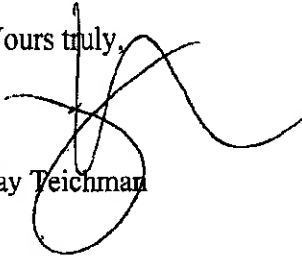

I also take this opportunity to advise you that your mortgage matures on June 23, 2025. I won't be renewing or extending my investment in your mortgage. Olympia and I expect to be paid in full on June 23, 2025. I will be sending a copy of this letter to the other Olympia investor in your mortgage for their information. As stated above, this correspondence only addresses my 30.8%. I have not spoken with the other investors and am unaware of their situation. I don't know if they have received January, February and March, 2025 payments from Sandy. I suspect that Olympia may notify the other investors of this matter and that you may be hearing from them too.

I am delivering a copy of this letter to Sandy. I have advised Sandy that I would be sending this letter to you.

I sincerely apologize for this situation and empathize with you. Unfortunately, there is no other practical and effective solution to ensure that I receive the payments I am entitled to receive for lending you money. Sandy is no longer entitled to receive these mortgage payments and is no

longer my agent or authorized representative.

Thank you for your co-operation.

Yours truly,

Jay Teichman

Dear Sir:

\$290,000.00 loan to Maheswaran Subramaniam

in favour of Olympia Trust Company in trust for Jay Teichman and
Michael Stein
Mortgage Registration No. SC2056785
[referred to by Olympia Trust as MOR136813 and by Sussman Mortgage
Funding Inc. as S27]

I am contacting you in my personal capacity as an investor, being a part owner of the mortgage noted above. As you can see from the letterhead information above, although my office is located on Yonge Street, I am semi-retired and work from my house. After your review of this correspondence, please feel free to contact me directly on my cellphone 416-433-0237 or by email: jay@jayteichman.com. I have also included contact information for Olympia Trust Company below if you wish to contact them directly. I invite you to do so.

Sussman Mortgage Funding Inc. ("Sandy") arranged my \$130,000.00 investment in your \$290,000.00 mortgage from my RRIF account #314249 with Olympia Trust Company ("Olympia") as to 19.69% and from my TFSA account #344117 as to 25.14%. I explain below the sequence of events and investments.

I attach a copy of the 1st 2 pages of your mortgage No. SC2056785 which discloses that the mortgaged property is 1026 Green Street, Lefroy, Ontario, and that 55.17% is held by Olympia in trust for Michael Stein ($\$290,000.00 \times 55.17\% = \$159,993.00$), and Olympia holds the remaining 25.14% ($\$290,000.00 \times 25.14\% = \$72,906.00$) + 19.69% ($\$290,000.00 \times 19.69\% = \$57,101.00$) in trust for me. The sum of my investment is $\$72,906.00 + \$57,101.00 = \$130,007$; any minor arithmetic discrepancies were calculated by Sandy and Olympia, I suspect; in any event, my $\$130,000.00$ total investment is disclosed. The sum of $\$159,993.00 + \$72,906.00 + \$57,101.00 = \$290,000.00$, and the sum of $55.17\% + 25.14\% + 19.69\% = 100\%$. This correspondence only addresses my $\$130,000.00$ investment (i.e. my 44.83% ($19.69\% + 25.14\% = 44.83\%$)). I haven't spoken with the other investors, do not know them and am not aware of their situation regarding this mortgage.

I understand that Sandy and Olympia directed you to make your monthly payment to Sandy, who, upon receipt, would deduct a 6% administrative fee and then pay the balance to Olympia in trust for me.

Your total monthly payment is $\$2,853.00$, being a blended payment of principal and interest. I will address the allocation of the principal component of this monthly payment below.

My RRIF share of your monthly interest payment is $\$561.76$ (calculated as follows: $\$2853.00 \times 19.69\% = \561.76). Sandy's fee is 6% such that my net share is $\$561.76 \times 94\% = \528.05 .

My TFSA share of your monthly interest payment is $\$717.24$ (calculated as follows: $\$2853.00 \times 25.14\% = \717.24). Sandy's fee is 6% such that my net share is $\$717.24 \times 94\% = \674.21 .

Again, due to a minor arithmetic discrepancy calculated by Sandy and Olympia, and due to your monthly payment being blended principal and interest, the exact amounts of these monthly payments made to me are insignificantly a bit different.

I have deducted Sandy's 6% administrative fee from the payments above and leave it to him to collect this amount as he determines.

Sandy has not paid anything to Olympia in trust for me since December, 2024, i.e., the January, February and March, 2025 payments have not been paid. The last payment Olympia received from Sandy was on December 19, 2024; this payment covered interest for December, 2024. I spoke with Olympia on March 12 to confirm this information.

I don't know if you have paid Sandy for January, February and March, 2025. When I asked for this information, Sandy promised payments. He has made several promises of payment, but no payment has been made.

If you have made these payments, I have not received credit for them in my Olympia accounts. Please let me know if you have made these payments and please send copies of the cancelled cheques or other evidence of payment.

I have inserted the mortgage information; you must insert the name of your bank in part 4, and in part 5 please attach a "void" cheque, insert your name, sign the forms and insert the date of execution. **Once completed, kindly send the forms to Olympia Trust Company, P.O. Kindly let me know that you have sent the signed forms to Olympia.

If you have delivered a similar form of mortgage payment authorization to Sandy, please cancel it with your bank to avoid duplicate payments being made (which I refer to more completely below).

If you have delivered post-dated cheques to Sandy, please advise Sandy to return them to you. You should also contact your bank and put a "stop payment" on them.

I appreciate that this may come as unwelcome news. You may feel that as you have been making payments to Sandy, this is my problem. It is my problem; this correspondence rectifies this dilemma. **Please accept this correspondence as my irrevocable direction to you to make all payments to Olympia on my behalf.** I hereby notify you that any payments made by you to Sandy after the date hereof will not be recognized by Olympia and you will not receive credit therefor. If you continue to make any payment(s) to Sandy in disregard of this direction, Olympia will be pursuing these payments – in other words, you will have to make "double" payment for each payment made to Sandy. If you have not made any of the January, February and/or March payments to Sandy, please let Olympia and me know so that Olympia can facilitate these payments from your bank to Olympia.

Your next payment is due on April 3, 2025. Please ensure that it's made to Olympia Trust Company in trust for me.

I also take this opportunity to advise you that your mortgage matures on May 3, 2026. I won't be renewing or extending my investment in your mortgage. Olympia and I expect to be paid in full on May 3, 2026. I will be sending a copy of this letter to the other Olympia investor in your mortgage for their information. As stated above, this correspondence only addresses my 44.83%. I have not spoken with the other investor and am unaware of their situation. I don't know if they have received January, February and March payments from Sandy. I suspect that Olympia may notify the other investors of this matter and that you may be hearing from them

too.

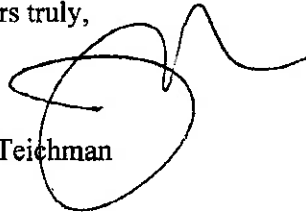

I am delivering a copy of this letter to Sandy. I have advised Sandy that I would be sending this letter to you.

I sincerely apologize for this situation and empathize with you. Unfortunately, there is no other practical and effective solution to ensure that I receive the payments I am entitled to receive for lending you money. Sandy is no longer entitled to receive these mortgage payments and is no longer my agent or authorized representative.

Thank you for your co-operation.

Yours truly,

Jay Teichman

Dear Sir:

\$500,000.00 loan to Maheswaran Subramaniam
Secured by a 2nd mortgage against 1345 Bardeau Street,
Innisfil (Lefroy), Ontario,
in favour of Olympia Trust Company in trust for Jay Teichman, Michael
Stein and Bruce Roberts
Mortgage Registration No. SC1988664
[referred to by Olympia Trust as MOR132953 and by Sussman Mortgage
Funding Inc. as S26]

I attach a copy of my letter (with attachments) dated March 14, 2025, which is self-explanatory. I restate the contents thereof. I have received no reply. **To the best of our knowledge, your mortgage is in default (as set forth below).**

Michael Stein, a co-owner of 39.2% of this mortgage, has asked me to notify you that he and I are jointly seeking payment and performance under the mortgage and other security documents signed by you. As we have not yet been able to contact Bruce Roberts, the co-owner of the

remaining 30%, this letter speaks for Michael and me. We are hopeful to be hearing from Bruce Roberts presently. We expect him to join us in pursuing our mortgage remedies.

After your review of this correspondence, please feel free to contact me directly on my cellphone 416-433-0237 or by email: jay@javeichman.com. You can contact Michael at 416-816-9690 or michael.stein@rogers.com.

I understand that Sandy and Olympia directed you to make your monthly payment to Sandy, who, upon receipt, would then pay the balance to Olympia in trust for Michael and me.

Michael and I have not been paid since December, 2024. The last payment Olympia received from Sandy was on December 19, 2024; this payment covered interest for December, 2024.

I don't know if you have paid Sandy for January, February and March, 2025. You haven't informed me.

If you have made these payments, we have not received credit for them in our Olympia accounts.

I asked you to send me copies of your cancelled cheques or other evidence of payment. I have not received any.

We want your payments to be made to Olympia in trust for Michael and me, not to Sandy. If you are making payments to Sandy, he is not paying us. Amanda Yu at Olympia has advised me that they can assist with this change and that they require you to sign Mortgage Payment Authorization Forms for Michael and me. Amanda's direct telephone line is 403-668-6986, if you should have any questions regarding execution and delivery of the Forms or the truthfulness and veracity of any of the information in this letter. I attach the form required by Olympia.

If you have delivered a similar form of mortgage payment authorization to Sandy, please cancel it with your bank to avoid duplicate payments being made (which I refer to more completely below).

If you have delivered post-dated cheques to Sandy, please advise Sandy to return them to you. You should also contact your bank and put a "stop payment" on them.

I appreciate that this may come as unwelcome news. You may feel that as you have been making payments to Sandy, this is my problem. It is my problem; this correspondence rectifies this dilemma. **In my last letter you were directed to you to make all payments to Olympia on my behalf; Michael Stein is now included. I again notify you that any payments made by you to Sandy after the date of my last letter will not be recognized by Olympia and you will not receive credit therefor.** If you continue to make any payment(s) to Sandy in disregard of my previous direction, Olympia will be pursuing these payments – in other words, you will have to make "double" payment

for each payment made to Sandy for Michael and me. If you have not made any of the January, February and/or March payments to Sandy, please let Olympia and me know so that Olympia can facilitate these payments from your bank to Olympia.

Your last payment was due on March 23, 2025. Hopefully it was made to Olympia Trust Company in trust.

Your next payment is due on April 23, 2025. Please ensure that it's made to Olympia Trust Company in trust for Michael and me.

I also take this opportunity to advise you that your mortgage matures on June 23, 2025. We won't be renewing or extending our investment in your mortgage. Olympia, Michael and I expect to be paid in full on June 23, 2025.

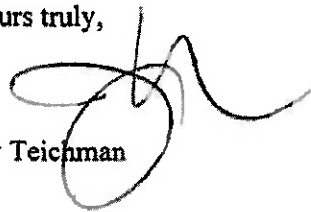

We sincerely apologize for this situation and empathize with you. Unfortunately, there is no other practical and effective solution to ensure that we receive the payments we are entitled to receive for lending you money. Sandy is no longer entitled to receive these mortgage payments and is no longer our agent or authorized representative.

Michael and I invite you to contact us.

Thank you for your co-operation.

Yours truly,

Jay Teichman

Dear Sir:

\$500,000.00 loan to Maheswaran Subramaniam
Secured by a 2nd mortgage against 1345 Bardeau Street,
Innisfil (Lefroy), Ontario,
in favour of Olympia Trust Company in trust for Jay Teichman, Michael
Stein and Bruce Roberts
Mortgage Registration No. SC1988664
[referred to by Olympia Trust as MOR132953 and by Sussman Mortgage
Funding Inc. as S26]

I am contacting you in my personal capacity as an investor, being a part owner of the mortgage noted above. As you can see from the letterhead information above, although my office is located on Yonge Street, I am semi-retired and work from my house. After your review of this correspondence, please feel free to contact me directly on my cellphone 416-433-0237 or by email: jay@jayteichman.com. I have also included contact information for Olympia Trust Company below if you wish to contact them directly. I invite you to do so.

Sussman Mortgage Funding Inc. ("Sandy") arranged my \$153,000.00 investment in your \$500,000.00 mortgage from my RRIF account #314249 with Olympia Trust Company ("Olympia") as to 30.8%. I explain below the sequence of events and investments.

I attach a copy of the 1st 2 pages of your mortgage No. SC1988664 which discloses that the mortgaged property is 1345 Bardeau Street, Innisfil, Ontario, and that 60.8% is held by Sandy (\$550,000.00 x 60.8% = \$304,000.00) and Olympia holds the remaining 39.2% in trust for Michael Stein.

Subsequently, by Instrument No. SC2018550 (copy attached), Sandy and Olympia transferred this mortgage to Olympia as to (i) 30.8% in trust for me (\$500,000.00 x 30.8% = \$154,000.00. As I invested \$153,000.00, there is a minor arithmetic discrepancy calculated by Sandy and Olympia, I suspect – my interest should be disclosed as 30.6%; in any event, my investment is disclosed), (ii) 39.2% in trust for Michael Stein, and (iii) the remaining 30% in trust for Bruce Roberts. This correspondence only addresses my 30.8%. I haven't spoken with the other investors, do not know them and am not aware of their situation regarding this mortgage.

I understand that Sandy and Olympia directed you to make your monthly payment to Sandy, who, upon receipt, would then pay the balance to Olympia in trust for me.

Your total monthly payment is \$4,918.00, being a blended payment of principal and interest.

My RRIF share of your monthly payment is \$1514.74 (calculated as follows: \$4918.00 x 30.8% = \$1514.74). Again, due to a minor arithmetic discrepancy calculated by Sandy and Olympia, and due to your monthly payment being blended principal and interest, the exact amounts of these monthly payments made to me are insignificantly a bit different and I have been receiving \$1512.70 monthly.

Sandy has not paid anything to Olympia in trust for me since December, 2024, i.e., the January, February and March, 2025 payments have not been paid. The last payment Olympia received from Sandy was on January 13, 2025; this payment covered interest for December, 2024. I spoke with Olympia on March 12 to confirm this information.

I don't know if you have paid Sandy for January, February and March, 2025. When I asked for this information, Sandy promised payments. He has made several promises of payment, but no payment has been made.

If you have made these payments, I have not received credit for them in my Olympia accounts. Please let me know if you have made these payments and please send copies of the cancelled cheques or other evidence of payment.

I have notified Olympia that Sandy's authorization to act on my behalf for their mortgages has been revoked. Olympia has acknowledged this revocation. Olympia has notified me that I must contact you.

I want your payments to be made to Olympia in trust for me; not to Sandy. Olympia has advised me that they can assist in this change and that they require you to sign the attached Mortgage Payment Authorization Form. I have inserted the mortgage information; you must

insert the name of your bank in part 4, and in part 5 please attach a "void" cheque. insert your name, sign the form and insert the date of execution. **Once completed, kindly send the form to Olympia Trust Company, P.O. Box 2581, STN Central, Calgary, Alberta, T2P 1C8, Attention: Amanda Yu; email: YuA@olympiatrust.com.** Amanda's direct telephone line is 403-668-6986, if you should have any questions regarding execution and delivery of the Form or the truthfulness and veracity of any of the information in this letter.

Kindly let me know that you have sent the signed form to Olympia.

If you have delivered a similar form of mortgage payment authorization to Sandy, please cancel it with your bank to avoid duplicate payments being made (which I refer to more completely below).

If you have delivered post-dated cheques to Sandy, please advise Sandy to return them to you. You should also contact your bank and put a "stop payment" on them.

I appreciate that this may come as unwelcome news. You may feel that as you have been making payments to Sandy, this is my problem. It is my problem; this correspondence rectifies this dilemma. **Please accept this correspondence as my irrevocable direction to you to make all payments to Olympia on my behalf.** I hereby notify you that any payments made by you to Sandy after the date hereof will not be recognized by Olympia and you will not receive credit therefor. If you continue to make any payment(s) to Sandy in disregard of this direction, Olympia will be pursuing these payments – in other words, you will have to make "double" payment for each payment made to Sandy. If you have not made any of the January, February and/or March, 2025 payments to Sandy, please let Olympia and me know so that Olympia can facilitate these payments from your bank to Olympia.

Your next payment is due on March 23, 2025. Please ensure that it's made to Olympia Trust Company in trust for me.

I also take this opportunity to advise you that your mortgage matures on June 23, 2025. I won't be renewing or extending my investment in your mortgage. Olympia and I expect to be paid in full on June 23, 2025. I will be sending a copy of this letter to the other Olympia investor in your mortgage for their information. As stated above, this correspondence only addresses my 30.8%. I have not spoken with the other investors and am unaware of their situation. I don't know if they have received January, February and March, 2025 payments from Sandy. I suspect that Olympia may notify the other investors of this matter and that you may be hearing from them too.

I am delivering a copy of this letter to Sandy. I have advised Sandy that I would be sending this letter to you.

I sincerely apologize for this situation and empathize with you. Unfortunately, there is no other practical and effective solution to ensure that I receive the payments I am entitled to receive for lending you money. Sandy is no longer entitled to receive these mortgage payments and is no

longer my agent or authorized representative.

Thank you for your co-operation.

Yours truly,

Jay Teichman

Dear Sir:

\$290,000.00 loan to Maheswaran Subramaniam
Secured by a 2nd mortgage against 1026 Green Street, Lefroy, Ontario
in favour of Olympia Trust Company in trust for Jay Teichman and
Michael Stein
Mortgage Registration No. SC2056785
[referred to by Olympia Trust as MOR136813 and by Sussman Mortgage
Funding Inc. as S27]

I attach a copy of my letter (with attachments) dated March 14, 2025, which is self-explanatory. I restate the contents thereof. I have received no reply. **To the best of our knowledge, your mortgage is in default (as set forth below).**

Michael Stein, the co-owner of the remaining 55.17% of this mortgage, has asked me to notify you that he and I are jointly seeking payment and performance under the mortgage and other security documents signed by you.

After your review of this correspondence, please feel free to contact me directly on my cellphone 416-433-0237 or by email: jay@jayeichman.com. You can contact Michael at 416-816-9690 or michael.stein@rogers.com.

I understand that Sandy and Olympia directed you to make your monthly payment to Sandy, who, upon receipt, would deduct a 6% administrative fee and then pay the balance to Olympia in trust for Michael and me.

Michael and I have not been paid since December, 2024. The last payment Olympia received from Sandy was on December 19, 2024; this payment covered interest for December, 2024.

I don't know if you have paid Sandy for January, February and March, 2025. You haven't informed me.

If you have made these payments, we have not received credit for them in our Olympia accounts.

I asked you to send me copies of your cancelled cheques or other evidence of payment. I have not received any.

We want your payments to be made to Olympia in trust for Michael and me, not to Sandy. If you are making payments to Sandy, he is not paying us. Amanda Yu at Olympia has advised me that they can assist with this change and that they require you to sign Mortgage Payment Authorization Forms for Michael and me. Amanda's direct telephone line is 403-668-6986, if you should have any questions regarding execution and delivery of the Forms or the truthfulness and veracity of any of the information in this letter. I attach the form required by Olympia.

If you have delivered a similar form of mortgage payment authorization to Sandy, please cancel it with your bank to avoid duplicate payments being made (which I refer to more completely below).

If you have delivered post-dated cheques to Sandy, please advise Sandy to return them to you. You should also contact your bank and put a "stop payment" on them.

I appreciate that this may come as unwelcome news. You may feel that as you have been making payments to Sandy, this is my problem. It is my problem; this correspondence rectifies this dilemma. In my last letter you were directed to you to make all payments to Olympia on my behalf; Michael Stein is now included. **I again notify you that any payments made by you to Sandy after the date of my last letter will not be recognized by Olympia and you will not receive credit therefor. If you continue to make any payment(s) to Sandy in disregard of my previous direction, Olympia will be pursuing these payments – in other words, you will have to make "double" payment for each payment made to Sandy for Michael and me. If you have not made any of the**

January, February and/or March payments to Sandy, please let Olympia and me know so that Olympia can facilitate these payments from your bank to Olympia.

Your next payment is due on April 3, 2025. Please ensure that it's made to Olympia Trust Company in trust for Michael and me.

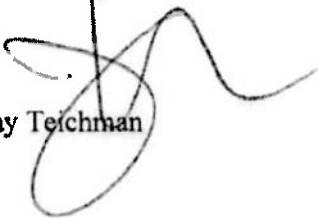

We also take this opportunity to advise you that your mortgage matures on May 3, 2026. We won't be renewing or extending our investment in your mortgage. Olympia, Michael and I expect to be paid in full on May 3, 2026.

We sincerely apologize for this situation and empathize with you. Unfortunately, there is no other practical and effective solution to ensure that we receive the payments we are entitled to receive for lending you money. Sandy is no longer entitled to receive these mortgage payments and is no longer our agent or authorized representative.

Michael and I invite you to contact us.

Thank you for your co-operation.

Yours truly,

Jay Teichman

Dear Sir:

\$290,000.00 loan to Maheswaran Subramaniam
Secured by a 2nd mortgage against 1026 Green Street, Lefroy, Ontario
in favour of Olympia Trust Company in trust for Jay Teichman and
Michael Stein
Mortgage Registration No. SC2056785
[referred to by Olympia Trust as MOR136813 and by Sussman Mortgage
Funding Inc. as S27]

I am contacting you in my personal capacity as an investor, being a part owner of the mortgage noted above. As you can see from the letterhead information above, although my office is located on Yonge Street, I am semi-retired and work from my house. After your review of this correspondence, please feel free to contact me directly on my cellphone 416-433-0237 or by email: jay@jayteichman.com. I have also included contact information for Olympia Trust Company below if you wish to contact them directly. I invite you to do so.

Sussman Mortgage Funding Inc. ("Sandy") arranged my \$130,000.00 investment in your \$290,000.00 mortgage from my RRIF account #314249 with Olympia Trust Company ("Olympia") as to 19.69% and from my TFSA account #344117 as to 25.14%. I explain below the sequence of events and investments.

I attach a copy of the 1st 2 pages of your mortgage No. SC2056785 which discloses that the mortgaged property is 1026 Green Street, Lefroy, Ontario, and that 55.17% is held by Olympia in trust for Michael Stein ($\$290,000.00 \times 55.17\% = \$159,993.00$), and Olympia holds the remaining 25.14% ($\$290,000.00 \times 25.14\% = \$72,906.00$) + 19.69% ($\$290,000.00 \times 19.69\% = \$57,101.00$) in trust for me. The sum of my investment is $\$72,906.00 + \$57,101.00 = \$130,007$; any minor arithmetic discrepancies were calculated by Sandy and Olympia, I suspect; in any event, my $\$130,000.00$ total investment is disclosed. The sum of $\$159,993.00 + \$72,906.00 + \$57,101.00 = \$290,000.00$, and the sum of $55.17\% + 25.14\% + 19.69\% = 100\%$. This correspondence only addresses my $\$130,000.00$ investment (i.e. my 44.83% ($19.69\% + 25.14\% = 44.83\%$)). I haven't spoken with the other investors, do not know them and am not aware of their situation regarding this mortgage.

I understand that Sandy and Olympia directed you to make your monthly payment to Sandy, who, upon receipt, would deduct a 6% administrative fee and then pay the balance to Olympia in trust for me.

Your total monthly payment is $\$2,853.00$, being a blended payment of principal and interest. I will address the allocation of the principal component of this monthly payment below.

My RRIF share of your monthly interest payment is $\$561.76$ (calculated as follows: $\$2853.00 \times 19.69\% = \561.76). Sandy's fee is 6% such that my net share is $\$561.76 \times 94\% = \528.05 .

My TFSA share of your monthly interest payment is $\$717.24$ (calculated as follows: $\$2853.00 \times 25.14\% = \717.24). Sandy's fee is 6% such that my net share is $\$717.24 \times 94\% = \674.21 .

Again, due to a minor arithmetic discrepancy calculated by Sandy and Olympia, and due to your monthly payment being blended principal and interest, the exact amounts of these monthly payments made to me are insignificantly a bit different.

I have deducted Sandy's 6% administrative fee from the payments above and leave it to him to collect this amount as he determines.

Sandy has not paid anything to Olympia in trust for me since December, 2024, i.e., the January, February and March, 2025 payments have not been paid. The last payment Olympia received from Sandy was on December 19, 2024; this payment covered interest for December, 2024. I spoke with Olympia on March 12 to confirm this information.

I don't know if you have paid Sandy for January, February and March, 2025. When I asked for this information, Sandy promised payments. He has made several promises of payment, but no payment has been made.

If you have made these payments, I have not received credit for them in my Olympia accounts. Please let me know if you have made these payments and please send copies of the cancelled cheques or other evidence of payment.

I have notified Olympia that Sandy's authorization to act on my behalf for their mortgages has been revoked. Olympia has acknowledged this revocation. Olympia has notified me that I must contact you.

I want your payments to be made to Olympia in trust for me; not to Sandy. Olympia has advised me that they can assist in this change and that they require you to sign the 2 attached Mortgage Payment Authorization Forms. I have inserted the mortgage information; you must insert the name of your bank in part 4, and in part 5 please attach a "void" cheque, insert your name, sign the forms and insert the date of execution. **Once completed, kindly send the forms to Olympia Trust Company, P.O. Box 2581, STN Central, Calgary, Alberta, T2P 1C8, Attention: Amanda Yu; email: YuA@olympiustrust.com.** Amanda's direct telephone line is 403-668-6986, if you should have any questions regarding execution and delivery of the Form or the truthfulness and veracity of any of the information in this letter.

Kindly let me know that you have sent the signed forms to Olympia.

If you have delivered a similar form of mortgage payment authorization to Sandy, please cancel it with your bank to avoid duplicate payments being made (which I refer to more completely below).

If you have delivered post-dated cheques to Sandy, please advise Sandy to return them to you. You should also contact your bank and put a "stop payment" on them.

I appreciate that this may come as unwelcome news. You may feel that as you have been making payments to Sandy, this is my problem. It is my problem; this correspondence rectifies this dilemma. **Please accept this correspondence as my irrevocable direction to you to make all payments to Olympia on my behalf.** I hereby notify you that any payments made by you to Sandy after the date hereof will not be recognized by Olympia and you will not receive credit therefor. If you continue to make any payment(s) to Sandy in disregard of this direction, Olympia will be pursuing these payments – in other words, you will have to make "double" payment for each payment made to Sandy. If you have not made any of the January, February and/or March payments to Sandy, please let Olympia and me know so that Olympia can facilitate these payments from your bank to Olympia.

Your next payment is due on April 3, 2025. Please ensure that it's made to Olympia Trust Company in trust for me.

I also take this opportunity to advise you that your mortgage matures on May 3, 2026. I won't be renewing or extending my investment in your mortgage. Olympia and I expect to be paid in full on May 3, 2026. I will be sending a copy of this letter to the other Olympia investor in your mortgage for their information. As stated above, this correspondence only addresses my 44.83%. I have not spoken with the other investor and am unaware of their situation. I don't know if they have received January, February and March payments from Sandy. I suspect that Olympia may notify the other investors of this matter and that you may be hearing from them

too.

I am delivering a copy of this letter to Sandy. I have advised Sandy that I would be sending this letter to you.

I sincerely apologize for this situation and empathize with you. Unfortunately, there is no other practical and effective solution to ensure that I receive the payments I am entitled to receive for lending you money. Sandy is no longer entitled to receive these mortgage payments and is no longer my agent or authorized representative.

Thank you for your co-operation.

Yours truly,

Jay Teichman
